ITEM 1. Rescind 282—Chapter 25 and adopt the following **new** chapter in lieu thereof:

CHAPTER 25 CODE OF PROFESSIONAL CONDUCT AND ETHICS

282—25.1(256) Scope of standards. This code of professional conduct and ethics constitutes mandatory minimum standards of practice for all licensed practitioners as defined in Iowa Code chapter 256. The adherence to certain professional and ethical standards is essential to maintaining the integrity of the education profession.

282—25.2(256) Definitions. Except where otherwise specifically defined by law:

“*Administrative and supervisory personnel*” means any licensed employee such as a superintendent, associate superintendent, assistant superintendent, principal, associate principal, assistant principal, or other person who does not have as a primary duty the instruction of pupils in the schools.

“*Board*” means the board of educational examiners.

“*Discipline*” means the process of sanctioning a license, certificate, or authorization issued by the board.

“*Ethics*” means a set of principles governing the conduct of all persons governed by these rules.

“*Fraud*” means knowingly providing false information or representations on an application for licensure or employment, or knowingly providing false information or representations made in connection with the discharge of duties.

“*License*” means any license, certificate, or authorization granted by the board.

“*Licensee*” means any person holding a license, certificate, or authorization granted by the board.

“*Practitioner*” means an administrator, teacher, or other licensed professional, including an individual who holds a statement of professional recognition, who provides educational assistance to students.

“*Responsibility*” means a duty for which a person is accountable by virtue of licensure.

282—25.3(256) Standards of professional conduct and ethics. Licensees are required to abide by all federal, state, and local laws applicable to the fulfillment of professional obligations. Violation of federal, state, or local laws in the fulfillment of professional obligations constitutes unprofessional and unethical conduct that can result in disciplinary action by the board. In addition, it is hereby deemed unprofessional and unethical for any licensee to violate any of the following standards of professional conduct and ethics:

25.3(1) Standard I—conviction of crimes, sexual or other immoral conduct with or toward a student, and child and dependent adult abuse. Violation of this standard includes:

a. *Fraud.* Fraud means the same as defined in rule 282—25.2(256).
