CHAPTER 9

**9.1(1) National criminal history background check.** An initial applicant will be required to complete fingerprinting for a national criminal history background check.

**9.1(2) Division of criminal investigation background check.** A division of criminal investigation (DCI) background check will be conducted on initial applicants.

**9.1(3) Registries and records check.** A check of the following registries and records will be conducted on initial applicants: the sex offender registry under Iowa Code section 692A.121, the central registry for child abuse information established under Iowa Code chapter 235A, the central

registry for dependent adult abuse information maintained under Iowa Code chapter 235B, and the information in the Iowa court information system available to the general public.

**282—9.2(256) Renewals.** Every applicant for renewal or conversion is required to submit a completed application with the applicant's signature to facilitate a check of the sex offender registry information under Iowa Code section 692A.121, the central registry for child abuse information established under Iowa Code chapter 235A, the central registry for dependent adult abuse information maintained under Iowa Code chapter 235B, and the Iowa court information system.

**282—9.3(256) Fees.** Fees for all background check processes will be assessed to the applicant.

**282—9.4(256) Temporary permits.** The executive director may issue a temporary permit to an applicant after receipt of a fully completed application; determination that the applicant meets all applicable prerequisites for issuance of the license, certification, or authorization; and satisfactory evaluation of the Iowa criminal history background check and registries and records check set forth in subrules 9.1(2) and 9.1(3). The temporary permit will expire upon issuance of the requested license, certification, or authorization or 90 days from the date of issuance of the permit, whichever occurs first, unless the temporary permit is extended upon a finding of good cause by the executive director.

**282—9.5(256) Issue and expiration dates, corrections, and fraud.**

If the expiration date is changed by rule, the change may be retroactive.

**9.5(2) *Correcting licenses.*** If a licensee notifies board staff of a typographical or clerical error on the license within 30 days of the date of the board's issuance of a license, a corrected license will be issued without charge to the licensee.

**9.5(3) *Fraud in procurement or renewal of licenses.*** Fraud in procurement or renewal of a license or falsifying records for licensure purposes will constitute grounds for filing a complaint with the board.

**282—9.6(256) Degrees and coursework.** Required degrees and college semester hour coursework will be earned through a college or university accredited by an institutional accrediting agency as recognized by the U.S. Department of Education. Licenses require the completion of a program that is approved for state licensure.
