IOWA COLLEGE STUDENT AID COMMISSION

Executive Director and Bureau Chief's Update

Scholarships and Grants

- With the application deadline for the Iowa National Guard Service Scholarship passing, Dec. 1, all application deadlines for the 2024-25 academic year have now passed.
- Dec. 1 was also the final filing deadline for the fall semester for colleges and universities.
- Applications closed and awards have been issued for the Teach Iowa Scholar Program.
 - A total of 409 applications were received; 156 renewal awards and 33 new awards were issued.

FAFSA

- ECMC has released a second round of FAFSA Completion Grant funding that we are excited to submit a proposal for through the Postsecondary Attainment Institute to build off of our successful FAFSA Completion Grant that we completed in the fall.
- We have started preliminary discussions with USED Federal Student Aid (FSA) to explore the possibility of including StudentAid.gov account creation to our FAFSA Completion Reports, as this is a critical step in the FAFSA process.

Postsecondary Authorization

- The Bureau of Iowa College Aid Postsecondary Authorization staff are collaborating with Tyler Tech, the State of Iowa's vendor, to migrate the applications for postsecondary authorization to a new system named Engagement Builder.
 - Engagement Builder has the capacity for functions that make the applications easier for institutions to navigate.
 - Currently, the Postsecondary Authorization staff authorize ~240 entities to provide postsecondary education to Iowans, both via distance education and from a physical location in Iowa.

Course to College Corps

- Staff submitted the AmeriCorps grant proposal that will significantly increase the funding for our AmeriCorps programs.

Midwestern Higher Education Compact

- In November, Tim and I attended the Midwestern Higher Education Compact's Annual Commission Meeting in November. We heard from regional legislators and national policy leaders on various higher education issues. Of note, MHEC modified its policy on identifying state representatives to serve on the M-SARA Regional Steering Committee. Iowa College Aid (as the identified State Portal Entity, or SPE) will now have authority to appoint Iowa's RSC representative (currently, Lisa Pundt). Additionally, Iowa's MHEC

Staffing updates

- GEAR UP Iowa is accepting applications for two facilitator positions.
- Staff presented extensively at the Iowa School Counselor Association conference with sessions on FAFSA completion, FAFSA myths, the FAFSA cycle, Match Day and student debt.
- Staff also attended the Higher Learning Commission State Partner Meeting and received updates from the U.S. Department of Education and American Council on Education.

Adopted and Filed

Rulemaking related to rural Iowa advanced registered nurse practitioner and physician assistant loan repayment program

The College Student Aid Commission hereby rescinds Chapter 25, “Rural Iowa Advanced Registered Nurse Practitioner and Physician Assistant Loan Repayment Program,” Iowa Administrative Code.

Legal Authority for Rulemaking

This rulemaking is adopted under the authority provided in Iowa Code section 256.178.

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code section 261.114 (repealed July 1, 2023).

Purpose and Summary

This rulemaking rescinds Chapter 25 for the Rural Iowa Advanced Registered Nurse Practitioner and Physician Assistant Loan Repayment Program. Iowa Code section 261.114 was repealed on July 1, 2023, so there is no further benefit of the chapter. The existing chapter is rescinded under Executive Order 10 (January 10, 2023) to ensure that outdated and obsolete provisions are eliminated.

Public Comment and Changes to Rulemaking

Notice of Intended Action for this rulemaking was published in the Iowa Administrative Bulletin on November 27, 2024, as ARC 8399C. A public hearing was held on the following date(s):

- December 17, 2024
- December 18, 2024

No one attended the public hearings. No public comments were received. No changes from the Notice have been made.

Adoption of Rulemaking

This rulemaking was adopted by the Commission on January 10, 2024.

Fiscal Impact

This rulemaking has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rulemaking, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rulemaking would result in hardship or injustice to that person may petition the Commission for a waiver of the discretionary provisions, if any, pursuant to 283—Chapter 7.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rulemaking by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rulemaking at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

Effective Date

This rulemaking will become effective on March 12, 2024.

The following rulemaking action is adopted:

ITEM 1. Rescind and reserve 283—Chapter 25.

COLLEGE STUDENT AID COMMISSION[283]

Adopted and Filed

Rulemaking related to chiropractic graduate student forgivable loan program

The College Student Aid Commission hereby rescinds Chapter 32, “Chiropractic Graduate Student Forgivable Loan Program,” Iowa Administrative Code.

Legal Authority for Rulemaking

This rulemaking is adopted under the authority provided in Iowa Code section 256.178.

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code section 256.203.

Purpose and Summary

This rulemaking rescinds Chapter 32 for the Chiropractic Graduate Student Forgivable Loan Program. The program last received an appropriation in FY 2002 and is not operational with the exception of several accounts that are in default or in collections. The provisions in the chapter related to the servicing of the loan are duplicated in the promissory notes that each of these borrowers signed (the borrowers remain obligated to the debt under the promissory note), rendering the chapter obsolete. The existing chapter is rescinded under Executive Order 10 (January 10, 2023) to ensure that outdated and obsolete provisions are eliminated.

Public Comment and Changes to Rulemaking

Notice of Intended Action for this rulemaking was published in the Iowa Administrative Bulletin on November 27, 2024, as ARC 8398C. A public hearing was held on the following date(s):

- December 17, 2024
- December 18, 2024

No one attended the public hearings. No public comments were received. No changes from the Notice have been made.

This rulemaking is adopted under the authority provided in Iowa Code section 256.178.

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code section 256.220.

Purpose and Summary

This rulemaking rescinds Chapter 35 for the Iowa Teacher Shortage Loan Forgiveness Program. 2017 Iowa Acts, House File 642, section 2, prohibits the making of new awards under the Iowa Teacher Shortage Loan Forgiveness Program but allows renewal applicants to continue to be considered for awards until the applicant’s eligibility is exhausted. The last renewal applicants received awards in FY 2020, and the program has not received an appropriation since FY 2019. The legislative directive has been administratively achieved, the program has been phased out, and there is no further benefit of the chapter. The existing chapter is rescinded under Executive Order 10 (January 10, 2023) to ensure that outdated and obsolete provisions are eliminated.

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code section 256.202.

2. The obligation may be postponed or satisfied pursuant to Iowa Code section 256.221(11).

Progression toward completion of the obligation is verified annually.

An eligible applicant who signs a program agreement and then refinances an eligible loan by obtaining a private education loan may continue to receive loan repayment awards.

“*Eligible university*” means the same as defined in Iowa Code section 256.221(13).

“*Part-time practice*” means at least an average of 28 hours per week serving clients in a service commitment area.

Payment of the nonrefundable contribution to the trust fund can be made by but is not limited to the following

organizations: community agencies, medical groups, municipalities, community foundations, local government entities, or other community entities. Locations and distances between cities will be consistently measured and verified by calculating the shortest travel distance on paved roads.

283—24.2(256) Awarding of funds.

24.2(1) *Selection criteria.* The commission will annually determine and communicate the number of recommendations that can be funded at each eligible university. Each eligible university will recommend the corresponding number of eligible applicants to the commission, prioritizing eligible applicants who were Iowa residents upon enrolling at the eligible university. If an eligible university cannot fill all of its recommendations, another eligible university will be allowed to fill those recommendations. If the eligible universities cannot fill all of the recommendations available, the commission may enter into additional agreements under the surplus funds provisions in rule 283—24.3(256).

24.2(2) *Extent of award and maximum award.* Eligible applicants may receive up to \$200,000 upon completion of the obligation pursuant to Iowa Code section 256.221(5). The loan repayment award will not exceed the outstanding balance of the eligible applicant's eligible loans.

24.2(3) *Awarding process.*

a. The commission will provide notice of the eligibility criteria and the number of recommendations to be filled to the eligible universities.

b. The eligible universities will send recommended eligible applicants to the commission.

c. The commission will work with eligible applicants to sign program agreements.

f. The commission will pay the loan repayment award directly to the holder of the eligible

applicant's eligible loan only after verifying with the employer that a portion of the obligation has been completed and the nonrefundable contribution has been deposited in the trust fund.

283—24.3(256) Surplus Funds. In the event that fewer than the total number of recommendations in subrule 24.2(1) are filled by students at the eligible universities, the commission may enter into additional agreements.

24.3(1) *Surplus-funds-eligible applicant.* A surplus-funds-eligible applicant will meet the following criteria:

a. Graduate with a doctor of medicine or osteopathy degree from an eligible university and complete a residency program.

b. Receive a permanent license to practice medicine and surgery or osteopathic medicine and surgery in the state of Iowa and engage in full-time or part-time practice of medicine and surgery or osteopathic medicine and surgery in a specialty defined in Iowa Code section 256.221(3)"d" for a period of five consecutive years in a service commitment area. The applicant will notify the commission of the applicant's service commitment area prior to beginning practice in the service commitment area.

c. Agree to sign a program agreement and to complete the obligation.

d. Complete applications on or before the date established by the commission and have none of the restrictions listed in 283 – subrule 10.3(1).

24.3(2) *Priority for awards.* In the event that the total amount of surplus funds is insufficient to award all eligible applicants, awards will be prioritized as follows:

a. Surplus-funds-eligible applicants employed in a state other than Iowa and individuals in their final year of residency or fellowship, by date of application.

b. All other surplus-funds-eligible applicants by date of application.

24.3(3) *Awarding process.*

c. The commission will work with surplus-funds-eligible applicants to sign program agreements.

d. Prior to employment, the surplus-funds-eligible applicant will notify the commission of the service commitment area in which the eligible applicant will be employed and the commission will verify the eligibility of the service commitment area.

e. The commission will track surplus-funds-eligible applicants selected to receive awards through completion of their obligation.

f. The commission will pay the loan repayment award specified in subrule 24.2(2) directly to the holder of the eligible applicant's eligible loan only after employer verification that a portion of the obligation has been completed and the nonrefundable contribution has been deposited in the trust fund.

283—24.4(256) Failure to Fulfill Obligation. An eligible applicant who fails to fulfill the obligation pursuant to Iowa Code section 256.221(11) will forfeit all future loan repayment awards under the program and will be subject to repayment of any loan repayment awards paid under this chapter toward the eligible applicant's eligible loans as specified in the program agreement.

283—24.5(256) Waivers. An eligible applicant will request a waiver in writing from the commission to change employment to a different service commitment area, to work part-time in accordance with Iowa Code section 256.221(10), and to postpone employment in accordance with Iowa Code section 256.221(11).

CHAPTER 31

MENTAL HEALTH PROFESSIONAL LOAN REPAYMENT PROGRAM

283—31.1(256) Definitions.

“Eligible applicant” means an individual who is a mental health professional or agrees to become a mental health professional, agrees to sign a program agreement, and agrees to complete the obligation. The eligible applicant completes applications on or before the date established by the commission and does not meet a condition in 283 – subrule 10.3(1).

1. The program agreement specifies the obligation and other details pertaining to the program.

2. The obligation is fulfilled by assessing and diagnosing mental health needs and problems and providing mental health counseling services to clients, individually or in groups, in eligible practice areas on a full-time basis for five consecutive years or on a part-time basis for seven consecutive years. Progression toward completion of the obligation is verified annually.

“Eligible institution” means the same as defined in Iowa Code section 256.225(1).

“Eligible loan” means the same as defined in Iowa Code section 256.225(1). Only the outstanding portion of a federal consolidation loan that was used to repay an eligible loan qualifies as an eligible loan. An eligible applicant who signs a program agreement and then refinances an eligible loan by obtaining a private education loan may continue to receive loan repayment awards.

“Eligible practice area” means the same as defined in Iowa Code section 256.225(1). Mental health professionals who serve clients who reside in eligible practice areas, including rural locations outside of city limits but within the federal mental health shortage area, on at least a part-time basis are eligible. After an eligible applicant signs an agreement to practice in an eligible practice area, subsequent changes to eligible practice areas will not impact that applicant’s continued eligibility for the program.

“Mental health professional” means the same as defined in Iowa Code section 256.225(1). The required clinical experience is completed after receipt of a master’s degree in a mental health field.

“Part-time” means an average of at least 28 hours, but fewer than 40 hours per week.

283—31.2(256) Awarding of funds.

31.2(1) *Selection criteria.* All eligible applicants will be considered for an award.

31.2(2) *Extent of award and maximum award.* Eligible applicants may receive up to \$40,000 upon completion of the obligation. The loan repayment award will not exceed the outstanding balance of the eligible applicant's eligible loans. An eligible applicant selected for an award under a priority category will continue to meet the provisions of that category to maintain eligibility.

31.2(3) *Priority for awards.* New awards will be made in the order of the following priority categories if funding is insufficient to award all eligible applicants.

a. Eligible applicants who are Iowa residents or who are members of the Iowa national guard if requested by the adjutant general. Members of the Iowa national guard will have satisfactorily completed required guard training and will maintain satisfactory performance of guard duty. If all eligible applicants cannot be funded, awards will be made first to eligible applicants who are in their final year of the degree program that leads to their qualification as a mental health professional, by application date; then to eligible applicants completing the two-year post-master's degree clinical experience, by application date; and finally to practicing mental health professionals, with priority to those meeting the definition of mental health professional in the most recent fiscal year.

b. Eligible applicants who are not Iowa residents and are not members of the Iowa national guard requested by the adjutant general. If all eligible applicants cannot be funded, awards will be made first to eligible applicants who are in their final year of the degree program that leads to their qualification as a mental health professional, by application date; then to eligible applicants completing the two-year post-master's degree clinical experience, by application date; and finally to practicing mental health professionals, with priority to those meeting the definition of mental health professional in the most recent fiscal year.

31.2(4) *Awarding process.* The commission will:

a. Provide notice of the eligibility criteria and application process annually.

b. Designate eligible applicants for awards and notify applicants of their eligibility.

c. Track eligible applicants selected to receive awards through completion of their obligation. An

obligation is satisfied if it aligns with Iowa Code section 256.225(4).

d. Send the loan repayment award to the holder of the eligible applicant's eligible loans upon verifying completion of the obligation with the eligible applicant's employer.

283—31.3(256) Failure to Fulfill Obligation. An eligible applicant who fails to fulfill the obligation pursuant to Iowa Code section 256.225(4) will be subject to repayment of any loan repayment awards paid under this chapter toward the eligible applicant's eligible loans as specified in the program agreement.

These rules are intended to implement Iowa Code chapter 256.

Iowa Code Section 261.8, subsection 10, requires that the corporation for educational financial assistance, services, and research (the Postsecondary Attainment Institute) submit an annual report on the activities and operations of the entity.

§261.8.10

The corporation shall submit by January 15 annually a written report of its activities and operations to the governor, the general assembly, and the commission.

Iowa College Aid received authority to develop a non-profit corporation during the 2021 legislative session. During the 2023 fiscal year, the Iowa College Student Aid Commission (Commission) established the Postsecondary Attainment Institute as a non-profit corporation registered with the Iowa Secretary of State and the U.S. Internal Revenue Service.

Fiscal Year 2024 - Activities and Operations

During the 2024 fiscal year, the Postsecondary Attainment Institute (PAI) held board meetings in November 2023 and May 2024. Given the transition from Iowa College Aid to the Iowa Department of Education, and the temporary nature of the interim President, operations of the PAI for the first half of the fiscal year were paused with the exception of the submission of the first tax filing, submitted in October 2023. Notably, the PAI received official notification of its non-profit corporation status.

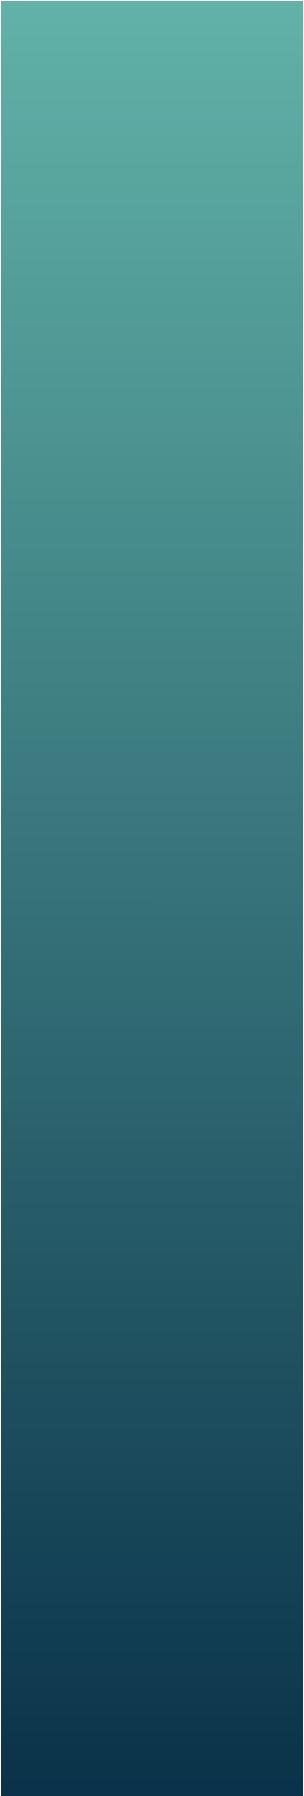

During the spring of 2024, the PAI assumed fiscal agency and operations of a federal grant to support FAFSA Completion efforts in Iowa. The grant period began in May 2024, and funds were received in late June 2024 to support operations for the grant, which began in the 2025 fiscal year.

§261.8.10: The corporation shall submit by January 15 annually a written report of its activities and operations to the governor, the general assembly, and the commission.

The 28E Sharing Agreement between the Iowa College Student Aid Commission (Commission) and the Postsecondary Attainment Institute (Corporation) requires in Section 5.2.2 that the Corporation shall provide the Commission with a report that includes a full accounting of all receipts and expenditures (“Annual Report”). Additionally, Section 6.2 stipulates that “Within 90 days after the end of each fiscal year, the Corporation shall provide the Commission with an Annual Report”, typically at the first meeting of the subsequent fiscal year.

Fiscal Year 2024 - Activities and Operations
