

# High-Quality Instructional Materials Statewide Contracts for English Language Arts and Mathematics

In response to requests from instructional leaders across Iowa and the needs of schools, the Department conducted a request for proposals to identify and establish statewide contracts with negotiated pricing for high-quality instructional materials (HQIM) aligned with Iowa's academic standards for English Language Arts/Literacy and Mathematics.

During a competitive bidding process, publisher submissions were first reviewed to ensure they met rigorous evaluation criteria and achieved the highest levels of quality assessed by EdReports. These submissions were then reviewed and scored by a team of literacy and mathematics experts.

*Districts will need to work directly with the vendor(s) for all inquiries and questions related to the contract, using the provided contract numbers.*

While not exhaustive, the following optional list of statewide HQIM aligned with Iowa's content standards is intended to support all school districts, charter schools, and nonpublic schools with options in their evidence-based curriculum review, adoption, and implementation processes. Please note that this purchasing list is not an "approved list."

The English Language Arts and Mathematics resource list includes:

- K–5 English Language Arts:
  - *Amplify CKLA* by Amplify Education – Contract #25264
  - *Benchmark Advance* by Benchmark Education Company – Contract #25137
