

Iowa State Board of Education

Executive Summary

April 17, 2025

Agenda Item:	Board Training – Cybersecurity
State Board Priority:	Goals 1 and 5
State Board Role/Authority:	Education
Presenter(s):	Shane Dwyer, Chief Information Security Officer Department of Management
Attachment(s):	None
Recommendation:	It is recommended that the State Board hear and discuss this information.
Background:	The purpose of this training session is to equip board members with the knowledge necessary to promote the protection of Iowa's digital infrastructure and improve the protections of our students' and staff's information. By the end of this training, board members will have a better understanding of the cybersecurity landscape, the threats we face, and the measures we can consider to protect our educational institutions from cyber threats.
