Our New Puppy

- My family was so excited to get a new puppy. We walked to the pet store to pick out our new pet!
- We found the puppy we wanted in a kennel with his brothers and sisters. He was jumping as high as he could to get out. We bent over to pick him up and walked back home.
- This puppy has lots of energy and wants to go for long walks at night. I walk a block and then run a block to get him more exercise. It is good for me and my family too!
- After school every day, I play Frisbee with the puppy. I throw it as far as I can. He never gives up. He runs and jumps to make a good catch every time. He has learned to bring the Frisbee back which is a lot less running for me!
- One night on our walk, he saw another dog and he ran fast pulling the leash out my hand. I chased him for blocks, but he kept running after the other dog. He cut through a yard where I had to jump a fence and then duck under a clothes line and kept running. He squeezed under a fence and I had to crawl under too.
- The puppy ran through my neighbor's freshly planted garden where I hopped over and skipped through the new plants. He finally started to head home and then ran right into his dog house. He knew I was not happy!
- Puppies are a lot of work, but can be a lot of fun!
