X.7(2) The subject of a confidential record may file a written request to review confidential records about that person as provided in rule 281—5.6(22,256). However, the agency need not release records to the subject in the following circumstances:

Purposes that fall within this guideline are considered routine uses of confidential records. Under these premises, the following are considered routine uses:

a. Disclosure to officers, employees, and agents of the commission who have a need for the record in the performance of their employment duties. ITEM 1. Rescind 283—Chapter 7 and adopt the following **new** chapter in lieu thereof:

CHAPTER 7

WAIVERS FROM ADMINISTRATIVE RULES

283—7.1(17A) Definitions. For purposes of this chapter:

“*Commission*” means the college student aid commission.

“*Waiver*” means the same as defined in Iowa Code section [17A.9A\(5\)](#).

283—7.2(17A) General. The commission may grant a waiver of any administrative rule if the waiver is consistent with Iowa Code section [17A.9A](#).

283—7.3(17A) Criteria for waiver. In response to a petition filed pursuant to this chapter, the commission may in its sole discretion issue an order waiving in whole or in part the requirements of a rule if the commission finds, based on clear and convincing evidence, that all of the factors listed in Iowa Code section 17A.9A(2) apply.

283—7.4(17A) Filing of petition. All petitions for waiver are submitted in writing to the Executive Director, College Student Aid Commission, Department of Education, Grimes State Office Building, 400 East 14th Street, Des Moines, Iowa 50319-0146. If the petition relates to a pending contested case, the petition is filed in the contested case proceeding using the caption of the contested case.

283—7.5(17A) Content of petition. A petition for waiver includes the following information where applicable and known to the requester:

7.5(1) The name, address, and telephone number of the person for whom a waiver is being requested, and the case number of any related contested case.

7.5(2) A description and citation of the specific rule from which a waiver is requested.

7.5(3) The specific waiver requested, including the precise scope and duration.

7.5(4) The relevant facts that the petitioner believes would justify a waiver under the criteria described in Iowa Code section 17A.9A(2). This statement includes a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition and a statement of reasons that the petitioner believes will justify a waiver.

7.5(5) A history of any prior contacts between the commission and the petitioner relating to the commission's programs, contracts, allocations, loans, grants or other activities in which the petitioner has participated or from which the petitioner has received a benefit that are affected by the proposed waiver, including a description of each affected item held by the requester and any notices of violation or noncompliance, contested case hearings, or investigative reports relating to the item within the last five years.

7.5(6) A detailed statement of the impact on student achievement for any person affected by the granting of a waiver.

7.5(7) Any information known to the requester regarding the commission's treatment of similar cases.

7.5(8) The name, address, and telephone number of any person or entity that would be adversely affected by the granting of a petition.

7.5(9) The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.

7.5(10) Signed releases of information authorizing persons with knowledge regarding the request to furnish the commission with information relevant to the waiver.

283—7.6(17A) Additional information. Prior to issuing an order granting or denying a waiver, the executive director may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the commission or its executive director may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and the commission's executive director, a committee of the commission's staff, or a quorum or committee of the commission's board to consider the petition for waiver.

283—7.7(17A) Notice. The commission will acknowledge a petition upon receipt and ensure that, within 30 days of the receipt of the petition, notice of the pendency of the petition and a concise summary of its contents have been provided to all persons to whom notice is necessary by any provision of law. In addition, the commission may give notice to other persons. To accomplish this notice provision, the commission may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law and provide a written statement to the commission attesting that notice has been provided.

283—7.8(17A) Hearing procedures. The provisions of Iowa Code sections 17A.10 through 17A.18A regarding contested case hearings apply in three situations:

7.8(1) To any petition for a waiver filed within a contested case,

7.8(2) When provided by rule or order, or

7.8(3) When required to do so by statute.

283—7.9(17A) Ruling. An order granting or denying a waiver will be in writing and will contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and operative period of any waiver issued.

7.9(1) General. The final decision on whether the circumstances justify the granting of a waiver is in the sole discretion of the commission, based on the unique, individual circumstances set out in the petition.

7.9(2) Compliance with Iowa Code standards. The commission applies the standards and burdens in Iowa Code section 17A.9A(3).

7.9(3) Administrative deadlines. When the rule from which a waiver is sought establishes administrative deadlines, the commission will balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all similarly situated persons.

7.9(4) Narrowly tailored exception. A waiver, if granted, shall provide the narrowest exception possible to the provisions of a rule.

7.9(5) Time period of waiver. A waiver shall not be permanent unless the petitioner can show that a temporary waiver would be impracticable. If a temporary waiver is granted, there is no automatic right to renewal. At the sole discretion of the commission, a waiver may be renewed if the commission finds that grounds for a waiver continue to exist.

7.9(6) Time for ruling. The commission will grant or deny a petition for a waiver as soon as practicable but, in any event, within 120 days of its receipt unless the petitioner agrees to a

later date. However, if a petition is filed in a contested case, the commission will grant or deny the petition no later than the time at which the final decision in that contested case is issued. Failure of the commission to grant or deny a petition within the required time period is deemed a denial of that petition by the commission. However, the commission remains responsible for issuing an order denying a waiver.

7.9(7) *Service of order.* Within seven days of its issuance, any order issued under this chapter is to be transmitted to the petitioner or the person to whom the order pertains, and to any other person entitled to such notice by any provision of law.

283—7.10(17A) Public availability. The commission will comply with the public availability and filing procedures of Iowa Code section 17A.9A(4).

283—7.11(17A) After issuance of a waiver.

7.11(1) *Cancellation.* A waiver issued pursuant to this chapter may be withdrawn, canceled or modified if, after appropriate notice and hearing, the commission issues an order finding any of the following:

- a.* The petitioner or the person who was the subject of the waiver order withheld or misrepresented material facts relevant to the propriety or desirability of the waiver; or
- b.* The alternative means for ensuring that public health, safety and welfare will be adequately protected after issuance of the waiver order have been demonstrated to be insufficient; or
- c.* The subject of the waiver order has failed to comply with all conditions contained in the order.

7.11(2) *Violations.* A violation of conditions in the waiver approval is the equivalent of a violation of the particular rule for which the waiver is granted. As a result, the recipient of a waiver under this chapter who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

7.11(3) *Defense.* After the commission issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

7.11(4) *Judicial review.* Judicial review of the commission's decision to grant or deny a waiver petition may be taken in accordance with Iowa Code chapter 17A.

These rules are intended to implement Iowa Code chapter 17A.

CHAPTER 10

UNIFORM POLICIES

283—10.1(256) Purpose. This chapter describes uniform definitions and policies that apply to programs administered by the college student aid commission.

283—10.2(256) Definitions.

“Financial metric” is the means by which the commission ranks the relative financial need of an applicant for financial assistance. The calculated financial metric shall be evaluated annually on the basis of a confidential statement of family finances filed on a form designated by the commission. The commission has adopted the use of the Free Application for Federal Student Aid (FAFSA), a federal form developed by the U.S. Department of Education, which is used to determine the financial metric. Relative need will be ranked based on the applicant’s financial metric provided by the U.S. Department of Education. The FAFSA must be received by the processing agent by the date specified by the commission. A negative financial metric is the equivalent of zero.

“Financial need” is the difference between the applicant’s cost of attendance, as defined in Title IV of the federal Higher Education Act of 1965, as of July 1, 2025, and the applicant’s financial metric and other available financial assistance at the eligible institution.

“Full-time” means enrollment in at least 12 semester credit hours, or the equivalent, that are part of a program of study. Credits that a student receives through “life experience credit” and “credit by examination” are not eligible for funding. Only coursework required for the student’s eligible program of study can be used to determine enrollment status for state award calculations.

“Iowa resident” means a person who:

1. If attending an Iowa regent university, Iowa private college or university, or Iowa barber or cosmetology college, meets the criteria used by the state board of regents to determine residency for tuition purposes as described in rule 681—1.4(262) and, if the person qualifies for residency only as described in 681—paragraph 1.4(2) “b,” meets the following additional criteria:

- Is a veteran or qualifying military person domiciled in the state of Iowa who is not dependent upon a parent for financial support;

- Is a dependent veteran or qualifying military person whose parent is domiciled in the state of Iowa; or

- Is the spouse, domestic partner, or dependent child of a veteran or qualifying military person who is domiciled in the state of Iowa; or

2. If attending an Iowa community college, meets the criteria defined by the Iowa department of education to determine residency for community college tuition purposes as defined in 281—subrule 21.2(11) and, if the person qualifies for residency only as described in 281—subparagraph 21.2(11) “b”(5), meets the following additional criteria:

- Is a veteran of uniformed service or a national guard member domiciled in the state of Iowa who is not dependent upon a parent for financial support;

- Is a dependent veteran of uniformed service or a national guard member whose parent is domiciled in the state of Iowa; or

- Is the spouse, domestic partner, or dependent child of a veteran of uniformed service or a national guard member who is domiciled in the state of Iowa.

“Part-time” means enrollment that includes 3 to 11 semester credit hours, or the equivalent, that are part of a program of study. Credits that a student receives through “life experience credit” and “credit by examination” are not eligible for funding. Only coursework required for the student’s eligible program of study can be used to determine enrollment status for state award calculations.

“Program of study” means a course of study that is eligible for federal student aid programs and leads to a teaching license or an undergraduate diploma, certificate, or degree.

“Satisfactory academic progress” is determined by the eligible institution, the standards of which meet the criteria for participation in federal student aid programs and are published on the eligible institution’s website.

283—10.3(256) Policies. A student who is in default on a Stafford Loan, SLS Loan, PLUS Loan, or Perkins/National Direct/National Defense Student Loan or who owes a repayment on any Title IV grant assistance or state award shall be ineligible for assistance under the program. The student regains eligibility under this rule by providing documentation to the eligible institution that the student has regained eligibility under Title IV of the Higher Education Act of 1965 as of July 1, 2025.

These rules are intended to implement Iowa Code chapter 256.

CHAPTER 21

APPROVAL OF POSTSECONDARY SCHOOLS

283–21.1 (261B,261G,714) Postsecondary registration, exception to registration, and participation in the commission-approved reciprocity agreement. The college student aid commission authorizes postsecondary schools to operate in Iowa and offer postsecondary programs to Iowans pursuant to Iowa Code chapters 261B and 261G and 34 CFR 600.9 as of July 1, 2025.

283—21.2(261B,261G) Definitions. As used in this chapter:

“Interstate reciprocity agreement” means the agreement the commission has entered into in order to participate in interstate reciprocity under Iowa Code chapter 261G.

“Postsecondary school” means an entity that meets any of the following provisions:

1. Meets the conditions in Iowa Code section 261B.2(5)“a” and “c.”
2. Provides a postsecondary course of instruction leading to a credential.

“Postsecondary school closure” means a precipitous or abrupt closure of a postsecondary school, Iowa site, or program during a semester, school period, or term of enrollment that leaves students without an option to complete the courses or program they started and with no ability to receive credit.

“Presence” means the same as defined in Iowa Code section 261B.2 and described in Iowa Code section 261B.3(1).

“State authorization” means the process by which a postsecondary school must seek the commission’s approval to operate in Iowa or offer a postsecondary course of instruction to Iowans through registration under Iowa Code chapter 261B or an exception to registration under Iowa Code section 261B.11. Postsecondary schools that are approved by the commission to operate in Iowa or offer a postsecondary course of instruction to Iowans shall receive an

official written approval notification issued by the commission. This notification shall identify the institution by name as an educational institution.

283—21.3(261B,261G) State authorization types and requirements.

21.3(1) *Registration.*

a. Qualifying postsecondary schools. A degree-granting postsecondary school whose operation is primarily outside of the state but that has a presence in Iowa, or an Iowa-originating postsecondary school that does not qualify for an exception under Iowa Code section 261B.11 and that is accredited by an accrediting agency recognized and approved by the United States Department of Education or its successor agency, will register with the commission. A postsecondary school that qualifies for an exception from registration may voluntarily submit an application under subrule 21.3(1). In addition, qualifying postsecondary schools that meet the following conditions must register to offer postsecondary education programs to Iowans:

(1) Provide distance education programs to Iowans in which the student participates in a structured field experience at a location in Iowa that is a required component of the distance education program.

(2) Compensate a party to recruit Iowans, the recruiter maintains an Iowa address, and the recruitment activities are not solely occasional or short-term events, such as college fairs or conferences.

b. Requirements. Qualifying postsecondary schools must submit information required in Iowa Code sections 256.177(7) and 261B.4 and other information requested by the commission. The commission may require a qualifying postsecondary school to submit a new application if there is a change in ownership or governance or an amendment to an existing application. In addition, a qualifying postsecondary school must:

(1) Certify to the commission that the qualifying postsecondary school's approval to

operate in a state has not been revoked by the state, the qualifying postsecondary school has not been sanctioned by a state within a year prior to the date of its application, and the qualifying postsecondary school is not under investigation or bound by the terms of a judgment issued by a state's attorney general or other enforcement authority. The postsecondary school will immediately notify the commission of any pending or final sanction by an accrediting agency, state entity, state attorney general, or other enforcement authority.

(2) Certify that it is not subject to a limitation, suspension, or termination order issued by the United States Department of Education or its successor agency. The applicant postsecondary school shall provide the commission with a copy of the postsecondary school's current program participation agreement with the United States Department of Education or its successor agency.

(3) Employ at least one full-time Iowa faculty member or one program or student services coordinator at the Iowa location who is devoted to Iowa students if the postsecondary school operates a location or administrative office at a fixed location in Iowa.

(4) Provide the commission with institutional policies adopted by the postsecondary school that comply with the requirements of Iowa Code section 256.183(1) "e" through "h" and "k."

1. For a program in which a student's academic progress is measured only in clock hours, the postsecondary school shall provide a full refund of tuition and mandatory fees to a student who withdraws and who requests that benefit under Iowa Code section 256.183(1) "g" for the payment period in which the student withdrew. The payment period is determined under rules promulgated by the United States Department of Education for the disbursement of federal Stafford loan funds.

21.4(1) A postsecondary school that applies for initial registration as required under subrule 21.3(1) shall remit an initial registration application fee payable to the commission in the amount of \$5,000. This fee is nonrefundable regardless of the commission's decision with respect to the postsecondary school's eligibility for registration in Iowa. A postsecondary school that fails to pay the initial registration application fee shall be denied initial registration consideration.

21.4(2) A postsecondary school that is approved under subrule 21.3(1) or 21.3(3) shall remit an annual fee payable to the commission in the amount due on October 15 of each year. 21.6(5) *Awarding of approved claims.*

- a.* All claims for reimbursement shall be submitted and approved within one year of the date of the postsecondary school closure.

12.5(3) *Ongoing eligibility.* An accredited private institution that is participating in the Iowa tuition grant program will immediately notify the commission if its ~~higher learning commission accreditation~~ federally recognized accreditation as a postsecondary educational institution or 501(c)(3) status is lost, or if the accredited private institution will fail to meet the necessary institutional match. Failure to meet any provision in Iowa Code sections 256.183 through 256.190 or this rule may result in the immediate cessation of the institution’s participation in the Iowa tuition grant and in the institution returning Iowa tuition grant funds to the commission.

Postsecondary Attainment Institute

Iowa Code Section 261.8, subsection 10, requires that the corporation for educational financial assistance, services and research (the Postsecondary Attainment Institute) submit an annual report on the activities and operations of the entity.

The corporation shall submit by January 15 annually a written report of its activities and operations to the governor, the general assembly, and the commission.

Iowa College Aid received authority to develop a nonprofit corporation during the 2021 Iowa legislative session. During Fiscal Year (FY) 2023, the Iowa College Student Aid Commission (Commission) established the Postsecondary Attainment Institute (PAI) as a nonprofit corporation registered with the Iowa Secretary of State and the U.S. Internal Revenue Service.

FY25 Activities and Operations

During FY25, PAI held board meetings in November 2024 and June 2025. The board approved annual reports to the Commission and the Iowa Legislature, extended its directors and officers insurance and approved the FY26 operating budget.

Notably, the Education Credit Management Corp (ECMC) awarded the Postsecondary Attainment Institute its first-ever operational grant to provide Free Application for Federal Student Aid support (FAFSA) in FY24. (ECMC serves as the fiscal agent for the U.S. Department of Education.) This grant enabled PAI to build out a website and a social media presence, including the creation of branded materials. While the grant period began in May 2024, PAI received the funds in late June 2024 to support operations for the grant, which began and concluded in FY25. Finally, PAI updated its status with the Iowa Secretary of State and installed new officers. PAI included this information in its organizational materials submitted to the secretary.
