However, all efforts shall be made by the Parties to eliminate and reduce duplicative data reporting requirements. The School shall be evaluated by the Authorizer and ranked against schools with comparable student populations under the attendance center performance ranking system developed and adopted by the Authorizer. The Authorizer shall monitor the performance and compliance of the School, including

collecting and analyzing data according to the Contract to meet the requirements of the Charter Schools Act. Such oversight may include inquiries and investigations of the School so long as the activities are consistent with the intent of the Charter Schools Act, adhere to the terms of the Contract, and do not unduly inhibit the autonomy granted to the School. Any performance reporting resulting from an inquiry or investigation under this Section shall, upon conclusion of such action, be included in the Annual Report required under Iowa Code section 256E.12.

8.5. Annual Report. The School shall submit an annual report to assist the Authorizer in evaluating the School's performance and compliance with the Performance Framework. The report shall be a public record, and the examination, publication, and dissemination of the report is governed by the provisions of Iowa Code Chapter 22. The annual report is due to the Authorizer on October 1 and shall include data for the prior school year. The content of the report shall comply with Iowa Code section 256E.12, subsection 1 and applicable regulations, and shall include, but is not limited to:

8.5.1. The School's mission statement, including a vision statement and goals, as well as data measuring goal attainment.

8.5.2. Student demographics, disaggregated by grade level and protected characteristics.

8.5.3. Attendance statistics and dropout rate (average daily attendance, dropout rate, student mobility).

8.5.4. Graduation data, including four-year and five-year graduation rates, credit accrual, and number of students on track for graduation.

8.5.5. Student achievement, including annual academic growth and proficiency, including Iowa statewide assessment of student progress (ISASP) data, other assessment data, and aggregate assessment test scores.

8.5.6. Financial performance, including projections of financial stability.

8.5.7. The number and qualifications of teachers and administrators.

8.5.8. Sustainability data, including enrollment trends, staff satisfaction, and parent and student satisfaction.

8.6. Performance Report. In accordance with Iowa Code section 256E.10, subsection 6, the Authorizer shall issue the School a Performance Report charter school contract renewal application guidance to each charter school whose charter school contract will expire during the following school budget year annually by June 30. The performance report shall summarize the School's performance record to date based on the data required by the Contract and by the Charter Schools Act and shall identify concerns that may jeopardize renewal of the Contract if not remedied. The School shall have sixty days to respond to the Performance Report and submit any corrections or clarifications for the Performance Report.

8.7. Site Visits. The School shall grant access to, and cooperate with, the Authorizer, its officers, employees, and other agents, including allowing site visits by the Authorizer, its officers, employees, and other agents, to allow the Authorizer to fully evaluate the operations and performance of the School under

the Performance Framework and the Charter Schools Act. Where possible, the Authorizer shall provide the School with at least 24 hours prior notice of such visits.

8.8. Provision of Policies. Upon request, the School shall furnish to the Authorizer copies of all written policies and procedures the School may adopt with respect to any matter relating to its management, operations, and educational program.

9. ENROLLMENT & ADMISSIONS

9.1. Admissions. The School shall not discriminate in its student admissions policies and practices based on intellectual or athletic ability, measures of achievement or aptitude, nor with regard to race, color, creed, national origin, sex, marital status, religion, ancestry, or status as a person with a disability or need for special education services. The School may limit admissions to students who are within the particular range of ages or grade levels or on another basis that would be legal if initiated by a school district.

9.2. Enrollment. The School shall enroll an eligible student who submits a timely application unless the number of applicants exceed the capacity of a program, class, grade level, or building. In this case, students must be accepted by lottery, using the lottery process, including establishing a waiting list of students who shall be offered the opportunity to enroll at the School if additional space later becomes available. The School may provide priority for enrollment to siblings of pupils enrolled in the School and to pupils who were enrolled in the School the previous school year unless expelled for cause. The School shall not permit dual enrollment of any student at both the School and another public school or nonpublic school. Once a student has enrolled, the student shall remain enrolled for the academic year unless there is a documented voluntary withdrawal, transfer, reassignment, or disciplinary suspension or expulsion.

9.3. Student Transfers and Exits. Any student exiting the School shall be documented by an exit form signed by the student's parent or guardian, which affirmatively states the reason for the transfer or exit and that the student's transfer or exit is voluntary. If the School is unable to obtain a signed form from the student's parent or guardian, the School shall complete the form with the information available.

9.4. Minimum and Maximum Enrollment. The minimum number of students who shall be enrolled in the school shall be 10 and the maximum number of students who may be enrolled in the school shall be 525. The minimum and maximum enrollment numbers determined pursuant to the School's application and negotiations between the Parties and is consistent with facilitating the academic success of students enrolled in the School and facilitating the School's ability to achieve the other objectives specified in the Contract. During the term of this Contract, if the School seeks to change its enrollment projection, including its minimum or maximum enrollment, it may submit its proposal to the Authorizer for review and consideration. Any changes to the minimum or maximum enrollment number of the School requires amendment to this Contract.

9.5. Maximum Enrollment Review. As necessary, the maximum enrollment of the School will be adjusted annually by the Governing Board in consultation with and approval by the Authorizer and with consideration of the School's ability to facilitate the academic success of its students, achieve the objectives specified in the Contract, and assure that its student enrollment does not exceed the capacity of its facility.

10. EMPLOYMENT

10.1. No Employee or Agency Relationship. Neither the School, its employees, agents, nor contractors are employees or agents of the Authorizer. The Authorizer or its employees, agents, or contractors are not employees or agents of the School. None of the provisions of this Contract will be construed to create a relationship of agency, representation, joint venture, ownership, or control of employment between the Parties other than that of independent Parties contracting solely to effectuate this Contract.

10.2. Discrimination. Instructional staff, employees, and volunteers shall possess all applicable qualifications as required by state or federal law. The School will not discriminate in program benefits, participation, employment, or treatment based on race, age, color, religion, or national origin, and will comply with the provisions of Title IX of the Education Amendments of 1972, 20 U.S.C. §1681 et seq., prohibiting discrimination based on gender.

The School shall not knowingly employ and shall not permit its subcontractors to knowingly employ any individual (i) for whom a criminal background investigation has not been initiated or (ii) who has been convicted for committing or attempting to commit one of the offenses enumerated in Iowa Administrative Code Chapter 282—25.3.

11. FACILITIES

11.1. Location. The School shall provide evidence to the Authorizer that it has secured a location in the geographic area identified in the Application by March 13, 2026. The School may move its location only after obtaining written approval from the Authorizer, subject to such terms and conditions as may be specified.

12.3. Location and Access. The School shall maintain, or cause to be maintained, books, records, documents, and other evidence of accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. These records shall be subject at all reasonable times to inspection, review, or audit by personnel duly authorized by the Authorizer, the Office of the State Auditor, and federal officials so authorized by law, rule, regulation,

or contract. The financial records must be maintained for immediate access by the Authorizer and reasonable access by the public as required by law.

12.4. Tuition and Fees. The School shall not charge tuition to any student unless such student would otherwise be liable for tuition costs under the Charter Schools Act. The School may, to the extent permitted by law, charge a reasonable fee per student for workbooks, textbooks, instructional materials, classroom supplies, provided that students eligible for a fee waiver under the School's Fee Waiver Policy are not prevented from attending school or any field trip as a result of being unable to pay such fees. The fee referenced above does not apply to student activities, summer school activities, after-school activities, or any other activities at the School where the activity is not part of the curriculum and participation of the students and/or parents is voluntary.

12.5. Outside Funding. The School may accept gifts, donations, or grants, provided that no such gifts, grants, or donations may be accepted if contrary to applicable law or the terms of this Contract.

12.6. School Funding. The School will receive funding under the provisions of Iowa Code section 256E.8 and associated rules and procedures.

In addition to satisfying its indemnification obligations, the School will cooperate fully with the Authorizer in the defense of any claims asserted against the Authorizer, its board members, agents or employees arising from or related to the operation of the School and comply with the defense and reimbursement provisions of all applicable insurance policies.

14.4. Limitation of Liabilities. In no event will the State of Iowa, or its agencies, officers, employees, or agents, including, but not limited to the Authorizer, be responsible or liable for the debts, acts or omissions of the School, its officers, employees, or agents.

14.5. Indemnification. To the fullest extent permitted by law, the School shall indemnify, defend and hold harmless the Authorizer, State, agencies of State and all officials, agents and employees of State, from and against all claims for injuries or death arising out of or resulting from the performance of the Contract by the Schools' agents, employees, representatives, or contractors. of any services not expressly required under this Contract or set forth in any subsequent written agreement between the School and the Authorizer or not required by law, shall not be a condition of the approval or continuation of this Contract.

16. BREACH OF CONTRACT; TERMINATION; DISSOLUTION

16.1. Termination by the Authorizer. This Contract may be terminated and the charter revoked by the Authorizer for any of the below enumerated reasons after timely written notice to the School. Any termination or revocation shall take effect after the School has had the opportunity to hire legal representation, prepare a response, submit documents, call witnesses, and give testimony challenging the decision. The Authorizer shall permit the audio or video recording of such proceedings. A revocation decision shall be by resolution of the Authorizer, clearly state the reason or reasons for revocation, and shall be conveyed to the School in writing. In order to minimize the disruption to students, the effective date of the termination shall be no sooner than the end of the current semester, unless termination on a different date is reasonably necessary to protect the health, safety, or welfare of students or staff. The Contract may be terminated and the charter revoked for any of the following reasons:

16.1.1. Commission of a material violation of any of the conditions, standards, or procedures set forth in the Contract;

Such actions or sanctions may include requiring the school to develop and execute a corrective action plan within a specified time period. The Authorizer may impose other appropriate remedies for breach including, but not limited to, revocation of waiver(s) and withholding of funds.

The Authorizer may use any monitoring tool, including but not limited to annual reports, site visits, and formal and informal written communications, to notify the School of unsatisfactory performance. Notification of unsatisfactory performance under this provision does not require formal, written communication. The provision of an opportunity to remedy unsatisfactory performance shall not impede or delay statutorily required reviews, including annual reports and renewal determinations.

16.4. Termination by the School. Should the School choose to terminate this Contract before the end of the Contract term, it may do so in consultation with the Authorizer at the close of any school year and upon written notice to the Authorizer given at least thirty (30) days before the end of the school year.

16.5. Dissolution and Closure Protocols. Upon termination of the Contract for any reason by the Authorizer, upon expiration of the Contract, or if the School should cease operations or otherwise dissolve, the Authorizer will supervise and have authority to conduct the winding up of the business and other affairs of the School; provided, however, that in doing so the Authorizer will not be responsible for and will not assume any liability incurred by the School under this Contract. The Governing Board and the School personnel shall cooperate fully with the winding up of the affairs of the School in accordance with the closure protocols established by regulation and/or adopted by the Authorizer. Such protocols may include required actions, timelines and identified responsible agents to ensure timely notice to parents and guardians, provide for the orderly transition of students and student records to new schools, and to provide proper disposition of school funds, property, and assets in accordance with the requirements of the Charter Schools Act.

All assets, including tangible, intangible, and real property in use by the School but originally owned by the State or assets purchased using at least 25 percent of public funds are the property of the State and shall be returned to the State upon termination or dissolution, in accordance with Authorizer policy and governing law. School owned assets, including tangible, intangible, and real property, remaining after paying the School's debts and obligations and not requiring return or transfer to donors or grantors, or other disposition in accordance with state law, will return to the School for dissolution or otherwise be disposed of in accordance with governing state and federal law. This provision shall survive the term of this Contract.

17.8. Records Retention. School records shall be maintained in accordance with all applicable state and federal document and record retention requirements. If any litigation, claim, or audit is started before the expiration of an applicable document retention period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved. This provision shall survive the term of the Contract.

17.9. Confidential Information. The Parties recognize that they are both bound by the requirements of the Family Educational Rights and Privacy Act Regulations (FERPA), (20 U.S.C. § 1232g; 34 C.F.R. § 99), and they will safeguard such information in accordance with the requirements of FERPA. The parties agree to apply all subsequently enacted law in a manner that will uphold this Contract, agree to amend this Contract if necessary to comply with such subsequently enacted law, and agree that termination under Section 16.1 is the last resort and will be undertaken only if necessary and unavoidable.

17.12. Preservation of Defenses Available to Authorizer. The parties agree that, by executing this Contract, the Authorizer preserves to itself the ability to raise all defenses available to it under state or federal law, including immunity from suit.
