

GOVERNOR'S STEM ADVISORY COUNCIL

at the Iowa Department of Education

Dear Parent or Guardian,

Your child has indicated an interest in serving in the Iowa Governor's STEM Advisory Council's statewide STEM Youth Ambassador Group. This group will meet a priority of the STEM Council by providing a youth perspective on STEM in Iowa.

There is very little or no risk associated with this partnership. If your child is selected to participate, we would like the opportunity to use the information provided in his/her application to share his/her stories or viewpoints publicly. Pictures and videos of your child could be captured at future meetings and events by STEM Council operations staff and/or by the media. As an ambassador your child could be asked to speak on behalf of the STEM Council at local events.

If you agree with the ideas presented above, help your child complete this application and sign below. If you have questions, you may contact info@IowaSTEM.org.
