Drinking Driver Education Course

Iowa law requires that an OWI offender complete a drinking driver education course. Providers of the education course are required to be approved by the Iowa Department of Education to offer the program. Providers in Iowa utilize the 12-hour Prime for Life curriculum for the state-mandated drinking driver education course. The agencies listed below have been approved to offer the drinking driver education course.

Jail Diversion Program

Which option should I attend? See your court document for the option you've been assigned:

- A 1st offense OWI in Iowa requires a 48-hour jail stay. The **1st offense jail diversion program** is offered at a facility where the offender is under house arrest for the 48-hour requirement. This program incorporates the 12-hour program and satisfies the jail requirement for the 1st offense OWI.
- A 2nd offense OWI in Iowa requires a 168-hour jail stay. The **2nd offense jail diversion program** is offered at a facility where the offender is under house arrest for 96 hours. Typically, this program is broken up into 2 weekends. This program incorporates the 12-hour drinking driver education program and satisfies 96 of the required 168 hours of jail time.
