Prompt 4: America's Founding Principles

Life, Liberty and Pursuit of Happiness in Simple Terms

This video is my submission for America 250th Birthday Video Contest which is organized by the Iowa Department of Education, celebrating the upcoming 250th anniversary of the United States Of America. As an international exchange student, this experience has allowed me to see America from a unique perspective, not just through history books, but through everyday life, community, and values. Lets celebrate the birthday of America with understanding what America have given us in everyday life.
