## 1431 --- 5-12 Mathematics - Basic.

a. Completion of 24 semester hours in mathematics to minimally include a course titled College Algebra or higher algebra course, a geometry course, a computer programming course, and a probability and statistics course.

College Algebra (must be titled College Algebra) or higher algebra course

| Course \# | Course Title | Institution | Semester Hr. | Year Completed |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

Geometry

| Course \# | Course Title | Institution | Semester Hr. | Year Completed |
| :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

Computer programming

| Course \# | Course Title | Institution |  |  |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

Probability and statistics

| Course \# | Course Title | Institution | Semester Hr. | Year Completed |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

## Methods for content and level

## Graded field experience (if needed)
