

THE ANNUAL
CONDITION OF IOWA'S
COMMUNITY COLLEGES
AY 2017-2018: TABLES

COMMUNITY COLLEGES

www.educateiowa.gov/ccpublications/

**Important Note to the Reader:
Data Reporting — Changes in the distribution of Sections.**

In 2016-2017, the Department re-evaluated the structure of the Condition of the Community Colleges' Annual Report. For the first time, we attempted to present a story instead of a list of data sections. The reader will find enrollments attached to students rather than to their types, and complex approach to educational outcomes, to include not only program completions, but also transfers, employment, time to degree, etc., to provide a few examples.

The approach to data publications has changed as well. In this report, the data tables are not directly attached to the flow of the Condition Report's story; doing so would make data searches problematic. Rather, the data tables are arranged in consolidated groups to reflect data types and to follow the data collection sections: credit enrollments, non-credit enrollments, credit awards, etc. Examples of such consolidation include Online and Joint Enrollments data within Credit Enrollments section; all reported Adult Literacy numbers within Adult Literacy section, etc.
