Summary of Updates to State of Iowa Test Security Manual

Page	Update
27	Appendix H: ISASP Monitoring Checklist for Test Security and Ethics • Updated the test administrator/proctor interview questions
31-32	Appendix I: ELPA21 and Alt ELPA Checklist for Test Security and Ethics • Added a new section with additional questions for students participating in the Alt ELPA • Updated the test administrator/proctor interview questions
35-42	Appendix J: DLM Checklist for Test Security and Ethics • Added a new test administrator behavior: Entered one or more responses for the student. • Updated the test administrator/proctor interview questions
43	Appendix K: State of Iowa External Monitoring Plan • Updated the external monitoring plan and selection from a ten-year cycle to a five-year cycle • Removed the list of identified districts which will be posted in a separate document on the Student Assessment webpage of the Iowa Department of Education website
45-46	Appendix M: Testing Incident Report Form • Added the additional test security and accessibility error questions so that it matches the electronic form in the Testing Reporting Application
