

Implementing Work-Based Learning in the Individualized Career and Academic Plan (ICAP)

Webinar Presented By:

Kristy Volesky, Work-Based Learning Consultant

Supporting Schools and Colleges with Work-Based Learning Programs

kristy.volesky@iowa.gov - 515-971-0669

Erica Woods-Schmitz, Career and Academic Planning Consultant

Supporting Schools and Colleges with Career and Academic Planning

erica.woods-schmitz@iowa.gov - 515-330-0815

Welcome to the Iowa Department of Education's Work-Based Learning webinar series! The goal of these webinars is to provide targeted support and strategies to Iowa school districts and colleges and to strengthen internal support for high-quality work-based learning experiences and programming. Additional work-based learning resources are located on the [Department's Work-Based Learning website](#).

Progress Implementation of WBL in ICAP

- 1. Take Inventory with your District Career and Academic Planning Team**
Identify WBL courses, embedded WBL experiences and include on the [District Plan Template](#)
- 2. Expand Quality WBL to Fill in WBL Experience Gaps**
Use the [Iowa Work-Based Learning Guide](#) to build quality WBL experiences for students
- 3. Create an Internal System of Support for WBL**
Support the planning, implementation and sustainability of work-based learning experiences
