Supporting Schools and Colleges with Work-Based Learning Programs

kristy.volesky@iowa.gov - 515-971-0669

Cale Hutchings, Applied Sciences CTE Consultant

Supporting Schools and Colleges with Applied Sciences Program Quality

cale.hutchings@iowa.gov - 515-975-8193

CTE Team - cte.educateiowa.gov

Welcome to the Iowa Department of Education's Work-Based Learning webinar series! The goal of these webinars is to provide targeted support and strategies to Iowa school districts and colleges and to strengthen internal support for high-quality work-based learning experiences and programming. Additional work-based learning resources are located on the [Department's Work-Based Learning webpage](#).

Best Practices for WBL in CTE and Career Academies

1. Review the CTE Courses and Sequencing in the Program

Assess content learning and skill building activities in the course

2. Identify Opportunities to Enhance Content through WBL Experiences

[Embed](#) WBL experiences based on advancement level of the course

Select experiences using the WBL continuum in the [Iowa WBL Guide](#)
