

Computer Science Work Group

December 8, 2020, 3:30-5:00 p.m.

Purpose

The work group, created by House File 2629, the most recent Future Ready Iowa bill, has two charges: (1) Develop recommendations to strengthen computer science instruction, and (2) design a campaign promoting computer science to students and parents. Recommendations are due to the General Assembly by July 1, 2021.
