The 21<sup>st</sup> Century Community Learning Center grant provides Title IV B funds for to start model afterschool programs. There is an expectation that community partnerships will provide initial support and that partnerships will increase to sustain these programs when the grant ends. 2 CFR 200.331(b) requires states to conduct a risk assessment. Iowa conducts a risk assessment for all grantees before any initial award, and continues risk assessment monitoring throughout the grant cycle.

Note: This is a 5 year grant cycle.
