**What is the intended benefit of the rule?**

This rule is intended to benefit Iowans who wish to become certified paraeducators, and the students and families who they will serve.

**Is the benefit being achieved? Please provide evidence.**

Yes. This rule has seen increased usage as practitioner preparation programs seek to offer paraeducator training to meet demand.

**What are the costs incurred by the public to comply with the rule?**

There are data reporting, assessment, and recordkeeping costs associated with this rule.

**What are the costs to the agency or any other agency to implement/enforce the rule?**

The Department defrayed the costs of administering this rule with its state appropriation.

**Do the costs justify the benefits achieved? Please explain.**

**Are there less restrictive alternatives to accomplish the benefit?  YES  NO**

**If YES, please list alternative(s) and provide analysis of less restrictive alternatives from other states, if applicable. If NO, please explain.**

**Does this chapter/rule(s) contain language that is obsolete, outdated, inconsistent, redundant, or unnecessary language, including instances where rule language is duplicative of statutory language? [list chapter/rule number(s) that fall under any of the above categories]**

Yes. This language has been removed throughout the chapter.

**281—80.3(272) Criteria for Iowa paraeducator preparation programs.** Each institution seeking approval of its paraeducator preparation program(s) will submit to the board evidence of the extent to which the program meets the standards contained in this chapter. After the state board has approved an institution’s paraeducator preparation program(s), students who complete the program(s) may be recommended by the authorized official of that institution for issuance of the appropriate certificate.

**281—80.4(272) Application; approval of programs.** Approval of paraeducator preparation programs by the state board is to be based on the recommendation of the director after study of the factual and evaluative evidence of record about each program in terms of the standards contained in this chapter. Approval, if granted, is for a term of seven years; however, approval for a shorter term may be granted by the state board if it determines conditions so warrant. If approval is not granted, the applicant institution will be advised concerning the areas in which improvement or changes appear to be essential for approval. In this case, the institution will be given the opportunity to present factual information concerning its programs at the next regularly scheduled meeting of the state board.
