Addendum I: Service Provider and Type

Service Type 1: District Contracted Programs and Day Treatment Programs (Non-Residential) – Out of state day service programs from which the student returns home each night.

Students attending Day Treatment out of the state are to be kept actively enrolled with the postal abbreviation of the state reported as the service provider.

Number	Service Provider	Service Type of Day Treatment or District Contracted Program (1)
Varies*	Other State	X

*Two character postal abbreviation for the state in which the Service Provider is located

Service Type 2 and 3: Residential Treatment Facilities

The values for residential treatment facilities are reported by the district where the facility is located. Students being sent to these facilities from other districts will be exited (either as transferred or tuitioned out district paid) to the district where the facility is located.

- PMIC Residential Treatment: students (both reg ed and special ed) are tuitioned out
- Non-PMIC Residential: Reg ed students are transferred, special ed students are tuitioned out

92108615	Foundation II Youth Shelter - Cedar Rapids	X
92058602	Youth Shelter Care of North Central Iowa - Fort Dodge	X

Service Type 8: Border Agreement

Due to the fact that the state does not receive SRI data from other states, students **attending a neighboring state** via a border agreement, need to be reported as actively enrolled with the respective service provider and type. NOTE: students attending your district from a neighboring state are reported with the entry code '10'.

Number	Service Provider	Service Type of Border Agreement (8)
MN	Minnesota	X
SD	South Dakota	X

Service Type 9: Consortium

Due to the fact that Consortia are defined as multi-district programs, these students are to be kept actively enrolled in your SIS with the respective FTE, service provider and type. Do not exit them.

Districts housing the consortium are to report students attending the consortium from another district with an Entry Code of '16', with the respective accountable district, FTE, service provider and type. Students attending the consortium hosted in their resident district should be reported with the appropriate BEDS Entry Code, service provider and type.
