### CHAPTER 31 PRIVATE INSTRUCTION AND DUAL ENROLLMENT

**281—31.1(299,299A) General.** Any parent, guardian, or legal custodian of a child of compulsory attendance age may place the child under competent private instruction or independent private instruction, in adherence to all provisions within Iowa Code chapter 299A. This includes any child identified as requiring special education under Iowa Code chapter 256B. If a child’s performance indicates a need for special education, the child will be referred and evaluated as indicated in 299A.9.

**281—31.2(299,299A) Definitions.** For purposes of this chapter, the following terms apply as defined in Iowa Code 299A.1: Competent Private Instruction, Independent Private Instruction, and Private Instruction. The following term applies as defined in Iowa Code section 299A.6: Adequate Progress.

#### **281—31.3(299,299A) Competent private instruction**

**31.3(1) *By licensed practitioner.*** Competent private instruction by a licensed practitioner complies with this chapter.

a. Instruction under this subrule may include a home-school assistance program. A home-school assistance program is provided by instructional assistance and supervision to a parent, guardian, or legal custodian providing instruction to a child through an accredited nonpublic school or public school district by an appropriately certified or licensed educator

b. If instruction is provided through a public school district:

(1) the child will be enrolled and included in the basic enrollment of the school district.

(2) Iowa Code sections 299A.3 through 299A.7 do not apply in this circumstance with the exception of the reporting provision in section 299A.3, subsection 1.

c. If a person is a privately retained licensed practitioner (who possesses a valid Iowa teaching certificate or practitioner license, including a substitute teacher’s license or a substitute authorization, which is appropriate to the grade level of the student), that practitioner may provide competent private instruction.

(1). The duties of a licensed teacher who instructs or provides instructional supervision of a student include the following:

a. Contact with the student and the student’s parent, guardian, or legal or actual custodian at least twice per 45 days of instruction, during which time the teacher practitioner fulfills the duties described below. One of every two contacts will be face-to-face with the student.

b. Consulting with and advising the student’s parent, guardian, or legal or actual custodian as requested by the student’s parent, guardian, or legal or actual custodian or as deemed necessary in the professional judgment of the practitioner.

c. Providing formal and informal assessments of the student’s progress to the student and the student’s parent, guardian, or legal or actual custodian.

d. Annually maintaining a diary, record, or log of visitations and assistance provided.

e. Referring to the child’s district of residence for evaluation a child who the practitioner has reason to believe may need special education.

(2). A licensed Iowa practitioner who is employed under this rule will not serve in that capacity on behalf of more than 25 families, or more than 50 children of compulsory attendance age, in an academic year unless the service is provided pursuant to the teacher’s employment with a nonaccredited nonpublic entity.

A licensed practitioner may seek exemption from the above limitation by submitting a written request to the director of the department of education. Exemptions will be granted when the director is satisfied that the limitation will pose a substantial hardship on the person or the school providing instruction or instructional supervision and that the best interests of all children being served by the practitioner will continue to be met.

**31.3(2) *By parent, guardian, or legal custodian.*** A parent guardian, or legal custodian, without a current Iowa teaching license providing competent private instruction for any child of compulsory age will:

- a. Provide a report to the school district of residence of the child within thirty days of commencing instruction under this rule, which report demonstrates compliance with Iowa Code chapter 299A and this chapter.
- b. Annually evaluate the child to determine whether the child is making adequate progress.
- c. Report the child's annual evaluation to the school district of residence of the child and to the department of education by August 1.

**281—31.4(299,299A) Annual achievement evaluations.**

**31.4(1) *General.*** Each child receiving competent private instruction will be evaluated annually by May 31 through the use of:

- a. A nationally recognized standardized achievement evaluation; or
- b. Other assessment tool selected by parent, guardian, or legal custodian from an approved list provided by the department of education which will include:
  - (1) The costs and administration time listed evaluations, and
  - (2) A process to approve new or alternate assessments that meet the provisions of Iowa Code chapter 299A.

**31.4(2) *Duties of educational agencies.*** The director of the department of education, or the director's designee, which may include a school district or an area education agency, will:

- (1) Conduct annual evaluations at a time and place determined by the person responsible for conducting the evaluation, which includes but is not limited to purchasing of evaluation materials, giving the evaluations, scoring and interpreting the evaluations, and reporting the evaluation results; and
- (2) Provide for the parent, guardian, or legal custodian of the child to be present when the child is evaluated.

**31.4(3) *Additional testing.*** If requested, the school district or area education agency will conduct annual evaluations at no cost to the parent, guardian, or legal custodian. Further:

- a. The parent, guardian, or legal custodian under competent private instruction is not required to reimburse any of the evaluation costs; and
- b. The annual achievement evaluation does not meet dual enrollment purposes under section 299A.8.

**31.4(4) *Additional evidence of progress.*** A parent, guardian, or legal custodian of a child may submit, as evidence of adequate academic progress, completed assessment evaluations, other than the annual achievement evaluation, if assessment evaluations are administered as part of the competent private instruction.

a. A parent, guardian, or legal or actual custodian of a child subject to the annual assessment requirement may arrange to have an appropriately licensed Iowa practitioner review a portfolio of evidence of the child's progress annually by May 31.

(1) A single evaluator will be designated by the parent, guardian, or legal or actual custodian who has selected the portfolio evaluation option for annual assessment. The evaluator so identified will be approved by the superintendent of the local school district or the superintendent's designee and will hold a valid Iowa practitioner license or teacher certificate appropriate to the ages and grade levels of the children whose portfolios are being assessed.

(2) The child's portfolio will contain evidence of academic progress in the minimum curriculum areas of reading, language arts, and mathematics if the child is in grades 1 through 5. For children in grades 6 through 12, the portfolio will contain evidence in the minimum curriculum areas of reading, language arts, mathematics, science, and social studies.

b. For a child subject to annual assessment under this rule who is enrolled as a student of a correspondence school that is a member of an accrediting association recognized by the federal Department of Education and accredited for elementary and secondary education, the district of residence and the department will accept the annual report of progress (report card) sent by the correspondence school to the child's parent, guardian, or legal or actual custodian if the annual report of progress includes a listing of subjects taken and grades received. A passing grade in all content areas for which annual assessment is required is deemed evidence of adequate progress for the purpose of annual assessment.

**31.4(5) *Reporting of evaluation results.*** Evaluation results will be handled in pursuant to Iowa Code section 22.7, subsection 1, and reported by the evaluation administrator to the child's parent, guardian, or legal custodian, the school district of residence of the child, and the department of education.

**31.4(6) *Failure to make adequate progress - Notice to parents.*** If annual evaluation results indicate the child has not made adequate progress:

a. The director of the department of education, or the director's designee, will notify the parent, guardian, or custodian of the child that the child is required to attend an accredited public or nonpublic school.

b. The child will attend an accredited public or nonpublic school at the start of the next school year until evaluation results indicate the child has made adequate progress, unless, before the beginning of the next school year, the director or director's designee grants approval for competent private instruction to continue under a plan for remediation.

**31.4(7) Rules of construction.**

a. Nothing in this section requires or prohibits testing in any way other than what is set forth in Iowa Code section 256.7, subsection 21, paragraph "b", subparagraph (2).

b. The parent, guardian or custodian of students who are receiving independent private instruction are responsible for the cost of annual assessment if requested, through the local school district or area education agency.

c. The parent, guardian, or legal or actual custodian of a child subject to this rule and who has a physical or mental disability so significant that the results of a standardized test would be not yield relevant results for assessment purposes may request the department's approval of an alternative evaluation.

**281—31.5(299,299A) Dual Enrollment.**

**31.5(1)** If a parent, guardian, or legal custodian submits a request, the child will be registered in a public school for dual enrollment purposes, and included in the public school's basic enrollment under section 257.6.

**31.5(2)** A child who is dual-enrolled will:

a. Be permitted to participate in any academic activities in the district;

b. Participate in any extracurricular activities on the same basis as any public-school child, and

**31.5(4)** A child under dual enrollment must receive at least one-quarter of the child's instruction by way of competent private instruction and no more than three-quarters by way of the district's academic programs.

**281—31.6(299,299A) Home school assistance program.** The board of directors of a school district will expend funds received pursuant to Iowa Code section 257.6, subsection 1, paragraph "a", subparagraph (5), and amounts designated from the school district's flexibility account under section 298A.2, subsection 2, for providing a home school assistance program.
