32.6(1) *Validity of test scores.* Scores on an approved test remain valid for a period of five years from the date of the first subtest taken. If an applicant has not earned a high school equivalency diploma within this five-year period, the applicant must retake any expired subtest. The only exception is for test series that expire prior to the five-year period, in which case all previously taken subtests are void.

32.6(2) *Retest.* Any applicant not achieving the minimum standard test score on any subtest in effect at the time of testing is permitted to apply for retest. Applicants may retest twice per calendar year, provided one of the following conditions is met:

- a. A period of three months from the date of initial testing has elapsed; or
- b. The applicant completes instruction in an adult education and literacy program in each subject area to be retested. This instruction is to be certified by an official of the adult education and literacy program provider to the test administrator authorized to release the retest.

32.7(1) *Award of prior credit.* The applicant is to provide certified, translated transcripts from any Iowa school district, accredited public or nonpublic high school, or regionally accredited college or university to document completion of credits earned that are equivalent to those required in an approved program established under this rule. Additional documentation may be requested to validate credits earned.

32.7(2) *Minimum participation requirement.* An eligible applicant is to demonstrate competence through continuous enrollment in an approved program for a minimum of two high school credits.

32.7(3) *Minimum graduation requirements.* If the applicant is not continuously enrolled in an approved program, the applicant becomes subject to the minimum graduation requirements applicable to the date of reenrollment.

32.7(4) *Electives.*

a. Coursework for electives will align with twenty-first century learning skills and be classified in one of the following five areas:

- (1) Civic literacy;
- (2) Health literacy;

(3) Technology literacy;

(4) Financial literacy;

(5) Employability skills.

b. Work-site learning may be counted toward an elective, under the following conditions:

(2) Current work-site learning will be evaluated using a state-developed assessment tool and may be awarded a maximum of two high school credits. Credit earned for current work-site learning may be counted toward the minimum participation requirement, as described in subrule 32.7(2).

32.7(5) *Postsecondary credit.* Credit awarded by a regionally accredited postsecondary institution for the successful completion of a course that applies toward the requirements of a postsecondary credential, including a certificate, diploma, or associate, bachelor, or graduate-level degree program, will be accepted to fulfill the requirements for the satisfactory completion of a program as follows:

a. One postsecondary semester credit or its equivalent is equal to one-third high school credit. The resulting high school credit may be used to satisfy either a core or elective credit requirement of an approved program.

b. Twenty contact hours of noncredit postsecondary coursework is equal to one-third high school credit provided the coursework is aligned to regional career pathways and occupational needs. This credit can be used to satisfy an elective credit requirement of an approved program.

281—32.8(259A) High school equivalency diploma program based on postsecondary degree.

32.8(1) *Postsecondary degree from a United States postsecondary institution.* The department will award a high school equivalency diploma to a resident applicant who presents an associate degree or higher that includes general education coursework and is awarded by a regionally accredited postsecondary institution. The applicant is to provide official transcripts to an adult education and literacy program to document completion of program requirements.

32.8(2) *Postsecondary degree from a foreign postsecondary institution.* The department will award a high school equivalency diploma to a resident applicant who presents a postsecondary degree equivalent to an associate degree or higher, provided that the following conditions are met:

a. The applicant presents to an adult education and literacy program an official transcript from an institution of higher education attesting to the completion of the program of study for the postsecondary degree. If the transcript is not in English, the applicant will also provide a certified translation.
