NOTE: The following information reflects the current Iowa law governing National Board Certification (NBC). Please read carefully.

The Iowa Department of Education (Department) has received funding from the Iowa legislature to provide teachers achieving NBC, a maximum award of \$2,500 per year for a total amount of \$25,000. The annual award is available for a nonrenewable term of 10 years of NBC.

Iowa Code section 256.44(2) requires the Department to prorate the amount of the annual award if the number of applicants exceeds the funds available. As such, NBC teachers will receive an annual award of \$2,500 or, if necessary, a lesser prorated amount. Annual appropriations by the legislature will be required to continue funding NBC award programs.

Under state law, in order to qualify for the NBC annual award, an NBC teacher **must**:

- Apply to the Department for the initial annual award within one year of becoming eligible.
- File an annual application by May 1 of each year.
- Be an Iowa licensed teacher employed by an Iowa public school district and receiving salary from the school district as a classroom teacher.
- Have a valid National Board license.
