

## STEM BEST® Programs of the Iowa Governor’s STEM Advisory Council

The STEM BEST (Businesses Engaging Students and Teachers) Program focuses on teachers and industry professionals working side-by-side to craft curriculum and projects that prepare students for exciting STEM careers local to their community in manufacturing, information technology, bioscience (agriculture and medicine), finance and more.

Programs on this document listed alphabetically by district. [A-B](#), [C](#), [D-H](#), [I-M](#), [N-R](#), [S-T](#), [U-Z](#)

### A-B

Awarded School	Year(s) Awarded	Contact(s)	Description
Allamakee Community School District	2023 and 2018	Ben Rausch <a href="mailto:brausch@allamakee.k12.ia.us">brausch@allamakee.k12.ia.us</a> Kelli Olson <a href="mailto:kolson@allamakee.k12.ia.us">kolson@allamakee.k12.ia.us</a>	Waukon High School (WHS) implemented an Allamakee Regional Welding Academy to serve the local community. By partnering with Northeast Iowa Community College (NICC), WHS and Allamakee County Economic Development (ACED), this helps create a talent pipeline to fill current and future welding vacancies within the region. The district also offers a STEM course to expand this CTE program to middle school to begin career exploration at an earlier age. Students will be able to explore physical computing, 3-D printing and design, microbiomes and engineering.
Anamosa Community School District	2023	Darren Hanna <a href="mailto:dhanna@amosa.k12.ia.us">dhanna@amosa.k12.ia.us</a>	Teachers will engage in quality professional development in conjunction with community partners to offer authentic learning experiences in existing classrooms like geometry in Construction and AMPED, Algebra, Manufacturing, Processes and Entrepreneurship and Design.
Ankeny Community School District	2023 and 2017	Joel Fox <a href="mailto:joel.fox@ankenyschools.org">joel.fox@ankenyschools.org</a> Jessica Dirks <a href="mailto:jessica.dirks@ankenyschools.org">jessica.dirks@ankenyschools.org</a>	In 2017 the Ankeny Community School District created a college and career readiness program called Orbis. Students engage in authentic projects submitted by our business and community members and use the Design Thinking process to create solutions to these challenges. Orbis focuses on developing leadership, problem-solving, and collaboration. Currently, ACSD is in the research phase to design and expand similar programming in the district through the creation of an innovative hub.

Awarded School	Year(s) Awarded	Contact(s)	Description
Assumption High School (Davenport)	2016	Andrew Craig <a href="mailto:andy.craig@assumptionhigh.org">andy.craig@assumptionhigh.org</a>	The school works with Victory Enterprises to develop a Virtual Reality STEM Career Exploration program for students that introduces them to STEM careers in Iowa and across the U.S.
Atlantic Community School District	2017	Eric Miller <a href="mailto:emiller@atlanticiaschools.org">emiller@atlanticiaschools.org</a> Alyssa Dovenspike <a href="mailto:adovenspike@atlanticiaschools.org">adovenspike@atlanticiaschools.org</a> Heather McKay <a href="mailto:hmckay@atlanticiaschools.org">hmckay@atlanticiaschools.org</a>	An apprenticeship approach to the welding trades. Business partners provide support and expertise (Master Licensed welders) as they create and implement a robust welding apprenticeship program.
BCLUW Community School District	2022 and 2019	Roberta Vanderah <a href="mailto:rvanderah@bcluw.org">rvanderah@bcluw.org</a> Matt Price <a href="mailto:mprice@bcluw.org">mprice@bcluw.org</a>	The district provides service-learning through hands-on academic projects within the community to prepare 11-12 grade students for future careers. Students identify and creatively solve a problem. They reach beyond the regular classroom experience through building community, business and higher education partnerships to assist the transition from school to careers. BCLUW provides students with opportunities to explore healthcare careers and makes connections to jobs and training opportunities.
Belle Plaine Community School District	2018	Frank Jowitt <a href="mailto:fjowitt@belle-plaine.k12.ia.us">fjowitt@belle-plaine.k12.ia.us</a>	A comprehensive (non-profit) manufacturing/production or “makerspace” facility in the STEM Lab is offered for students to create projects and artifacts. The formation of “BP - R.O.C.K.S.” (Recognizing Opportunity from Commercial Knowledge and Skills) program provides an enhanced and more in-depth after-school option focused primarily on local business and industry needs. Students are engaged in training and education with local businesses, community partners and post-secondary institutions.
Bettendorf Community School District	2022 and 2014	Haleigh Hoyt <a href="mailto:hhoyt@bettendorf.k12.ia.us">hhoyt@bettendorf.k12.ia.us</a>	With Eastern Iowa Community College and local health care providers, students will be placed in actual field experiences that will hone their skills in working with patients while working towards required hours for their CNA certificate.
Bondurant-Farrar Community School District	2022 and 2019	Donovan Hill <a href="mailto:hilld@bfschools.org">hilld@bfschools.org</a>	The current form of the program centers around engaging businesses and other stakeholders in the community to help students learn more about careers in the area. This has been achieved through working with partners from the original writing of the grant as well as expanding upon the partnership list. That growth has been possible due to the fact that with the program award the school district has added a dedicated person to oversee these partnerships with businesses. This has allowed for greater coordination between the school and businesses.

Awarded School	Year(s) Awarded	Contact(s)	Description
Boone EDGE	2022 and 2016	Jill Janes <a href="mailto:jjanes@boone.k12.ia.us">jjanes@boone.k12.ia.us</a> Lindsey Hyman <a href="mailto:lhyman@boone.k12.ia.us">lhyman@boone.k12.ia.us</a>	EDGE stands for Empowering Desire. Guiding Experience. Boone EDGE is a work-based learning continuum of awareness, exploration, training and preparation. Students engage in multiple ways through partnerships with a variety of community partners for grades PK-12. At the high school level, project-based courses, internships, and apprenticeship-based courses are offered, in addition to awareness activities through partner tours, speakers, mentors, and authentic projects in core classes. Our mission is to empower students to reach their goals, help students discover their desire, guide students toward what they want to do and give them the experience needed to continue on their path to success.
Boyden-Hull Community School District	2023	Dan Pottebaum <a href="mailto:dan.pottebaum@boyden-hull.org">dan.pottebaum@boyden-hull.org</a>	Students will be immersed in the Center for Advanced Professional Studies (CAPS) for career exploration and professional training with local businesses. Students will participate in mock interviews, career discovery meetings and authentic learning.
Boyer Valley Community School District	2022	Rebekah Gross <a href="mailto:rebekah.gross@boyervalley.org">rebekah.gross@boyervalley.org</a> Scott Frohlich <a href="mailto:sfrohlich@boyervalley.org">sfrohlich@boyervalley.org</a>	The Boyer Valley Community School District will create an elementary maker space that provides for STEM projects and activities that allows students to get hands-on experience in all HD fields, including field trips to major business partners that focus on manufacturing, computer science and health.
Burlington Community School District	2022	Brian Johnson <a href="mailto:brian.johnson@bcsds.org">brian.johnson@bcsds.org</a>	Burlington Community High School has partnered with Southeastern Community College, along with area health care providers such as Great River Health to expand work-based learning opportunities for BHS Health Occupation students. This includes updating and expanding the health occupation lab for a real “on the job experience” for students. This has also better prepared our students for when they participate in WBL programs, so that they have a better understanding of the experience.

Awarded School	Year(s) Awarded	Contact(s)	Description
CAL Community School District	2023	Kelsey Enslin <a href="mailto:enslink@cal.k12.ia.us">enslink@cal.k12.ia.us</a> Jill Craighton <a href="mailto:craightonj@cal.k12.ia.us">craightonj@cal.k12.ia.us</a>	CAL Elementary is using the STEM BEST award to expand on current Agricultural and STEM related learning initiatives. We will make improvements, updates, and expansions to our school greenhouse and gardens. We will connect with industry professionals to provide real-world contacts, experiences and information so that they can make connections between what they are learning and how it is involved in career pathways in Agriculture and Technology. Students will focus on learning how their interests can be pursued as part of career pathways.
CAM Community School District	2021 and 2018	Barry Bower <a href="mailto:bbower@cam.k12.ia.us">bbower@cam.k12.ia.us</a>	Students explore entrepreneurship by planning and opening a student-run storefront collaboratively with community partners. They sell student-made projects which are created in CTE, industrial arts, plasma cutter and small-business classes.
Carroll Community School District	2023	Kourtney Abbotts <a href="mailto:kabbotts@carrolltigers.org">kabbotts@carrolltigers.org</a> Nicole Mccarville <a href="mailto:nmccarville@carrolltigers.org">nmccarville@carrolltigers.org</a>	The district will implement a new freshman pathways course, Introduction to Pathways, while also assisting in providing staff with Project Lead the Way certification to provide students Introduction to Engineering, Cybersecurity, Biomedical Science and Environmental Sustainability.
Cedar Falls Community School District	2020, 2018, and 2017	Ethan Wiechman <a href="mailto:Ethan.Wiechmann@cfschools.org">Ethan.Wiechmann@cfschools.org</a>	Cedar Falls Community School District offers Center for Advanced Professional Studies (CAPS) programming through strands that explore business solutions, careers, CAN, education, industries and medical pathways. New strands represent community demand for talent pipeline into critical industries.

Awarded School	Year(s) Awarded	Contact(s)	Description
Cedar Rapids Community School District (Metro High School)	2023, 2022 and 2021	Chuck Tonelli <a href="mailto:mtonelli@crschools.us">mtonelli@crschools.us</a> Shannon Ellis <a href="mailto:sellis@crschools.us">sellis@crschools.us</a> Matt Secl <a href="mailto:msecl@crschools.us">msecl@crschools.us</a>	METRO STEAM academy is a cross-curricular, project based, community centered, employability focused, personalized learning program within METRO High School. Students have several project options they can work on to earn credits towards graduation. Past projects have varied greatly and have included small business projects, museum exhibits, pure science investigations, community events planning, networking, marketing, outreach, and many others. The STEAM Academy works with organizations and community members to provide projects, mentorship, and learning experiences for our students. The cross-curricular learning space offers a farm-to-table nutrition/health program, an entrepreneurship outlet and a culinary arts workforce development.
Cedar Rapids Community School District (Thomas Jefferson H.S.)	2021	Charlie Goetzinger <a href="mailto:cgoetzinger@crschools.us">cgoetzinger@crschools.us</a>	BlendED Academy is a 9th/10th grade school within a school program that aims to provide relevant experiences through community-based initiatives once students demonstrate proficiency. The program teaches core classes in a cohort-style seminar schedule which allows the students to demonstrate proficiency on content standards, provide targeted intervention for those not proficient, and authentic enrichment for those who are. This enrichment consists of partnerships with community members to engage our students in experiences that align with their passions.
Cedar Rapids Community School District Iowa BIG	2014	Megan Swanson <a href="mailto:mswanson@iowabig.org">mswanson@iowabig.org</a>	Iowa BIG is a high school program that allows students to earn core academic credit through project-based learning. Students experience the community and learn in real-time by working with a variety of partners from business, nonprofit and government agencies.
Center Point-Urbana School District	2024	Andrew Kringle <a href="mailto:akringle@cpuschools.org">akringle@cpuschools.org</a>	Program will procure cutting-edge CNC machinery to empower students to delve into precision manufacturing techniques. Students will gain proficiency in programming, operating and troubleshooting CNC systems, preparing them for high-demand careers in manufacturing and engineering

Awarded School	Year(s) Awarded	Contact(s)	Description
Central Community School District - Elementary	2018	Leah Imoehl <a href="mailto:limoehl@central.k12.ia.us">limoehl@central.k12.ia.us</a> Nick Trenkamp <a href="mailto:ntrenkamp@central.k12.ia.us">ntrenkamp@central.k12.ia.us</a>	The goal of the Central Elementary Makerspace is to equip students with skills to explore, create and discover how things work in the world around them! Students are introduced to computational making activities that promote crosscutting concepts across science, technology, engineering and math. We provide scaffold learning experiences so elementary students in Kindergarten through 6th grade become self-determined learners. In addition, the Makerspace utilizes community support volunteers for time, expertise and donation of supplies.
Central Community School District - Secondary	2022 and 2021	Leah Imoehl <a href="mailto:limoehl@central.k12.ia.us">limoehl@central.k12.ia.us</a> Ryan Bergan <a href="mailto:rbergan@central.k12.ia.us">rbergan@central.k12.ia.us</a>	The goal of its Clayton County BEST Program will be to offer unique learning opportunities that connect individual students to authentic workplace experiences and provide a strong focus on career and college readiness as a key outcome. Students will be paired with community organizations and businesses to address real-life concerns using 21st century skills and knowledge to provide solutions and products.
Central Dewitt Community School District	2023	Jen Vance at <a href="mailto:jen.vance@cd-csd.org">jen.vance@cd-csd.org</a>	Community partners work in collaboration with staff to create a food truck with student opportunities for learning about food production, food preparation, delivery, budgeting and marketing for a small business.
Central Lee Community School District	2023	Angie Fransk <a href="mailto:afransk@centrallee.org">afransk@centrallee.org</a>	A science lab will incorporate industry grade chemical and biology vent hoods to replicate industry grade laboratories. Community partners will provide job shadow opportunities and hands-on experience.
Central Lyon Community School District	2024	Sarah de Vries <a href="mailto:sdevries@centrallyon.org">sdevries@centrallyon.org</a>	Creation and implementation of career-linked opportunities for students to actively engage with community employers through the CAPS program. Students will be more empowered to develop essential career readiness skills and establish meaningful connections with the professional world.

Awarded School	Year(s) Awarded	Contact(s)	Description
Chariton Community School District	2017	Tracy Hall <a href="mailto:tracy.hall@chariton.k12.ia.us">tracy.hall@chariton.k12.ia.us</a>	Through a partnership with the Lucas County Development Corporation, the REAL (Relevant, Engaged, Applied, Learning) program was created to engage high school students in on-site, work-based projects. Students are exposed to high-demand fields such as design/engineering, diesel mechanics, IT, nursing, coding, finance and supply chain. The program will also include a welding and advanced manufacturing lab area to increase student capacity with updated equipment and allow the use of industry standard equipment for more professional level projects.
Cherokee Community School District	2022	Tim Stoneking <a href="mailto:tstoneking@ccsd.k12.ia.us">tstoneking@ccsd.k12.ia.us</a>	The Cherokee CAPS Program represents the collaboration of education, business and community and provides students with a unique, immersive experience, resulting in highly skilled, adaptable, global innovators and leaders. Our apprenticeship program connects students with local industry partners targeting the areas of health care.
Clear Lake Community School District	2020 and 2019	Emily Hill <a href="mailto:ehill@clearlakeschools.org">ehill@clearlakeschools.org</a>	Clear Lake Community School District exposes students to STEM careers with local employers by bringing in business partners to interact with elementary students. Secondary students participate in internships and apprenticeships with business partners, specifically utilizing the Project Lead the Way curriculum.
Clinton Community School District	2021	Matthew Tobin <a href="mailto:matt.tobin@csdkq.org">matt.tobin@csdkq.org</a>	A partnership with Keep Iowa Beautiful and Downtown Clinton Alliance to rebuild mural programs and provide professional development for staff to further develop project-based learning experiences.
College Community School District	2023	Amber Osterkamp <a href="mailto:aosterkamp@crprairie.org">aosterkamp@crprairie.org</a> Douglas Wheeler <a href="mailto:dwheeler@crprairie.org">dwheeler@crprairie.org</a>	An Anatomage Table has been added to the District's career and readiness program. The table offers a technologically advanced 3D anatomy visualization and virtual dissection tool. The table is currently being used by students in our Biology courses, Anatomy and Physiology, and Animal Science. We will be working with community partners to provide feedback to students through the use of the table to help them explore different career areas that are of interest to them.
Coon Rapids-Bayard Community School District	2023	Kelly Sigler <a href="mailto:kelly.sigler@crbcrusaders.org">kelly.sigler@crbcrusaders.org</a> Anne Pudenz <a href="mailto:anne.pudenz@crbcrusaders.org">anne.pudenz@crbcrusaders.org</a>	A school-based enterprise will be launched where students will design, create and market their products to school, students and the community. Local small businesses will mentor the students and provide classroom speakers, job shadowing and facilities access.

Awarded School	Year(s) Awarded	Contact(s)	Description
Council Bluffs Community School District	2024	Tracy Matthews <a href="mailto:tmatthews@cbcsd.org">tmatthews@cbcsd.org</a>	Adding three College and Career Exploratory Labs to serve students in 6th-8th grades. Designed to provide content knowledge and hands-on exploratory opportunities to assist students in determining their potential interests and strengths within a range of career pathways, many of which fall within STEM fields.
Creston Community School District - Elementary School	2021	Callie Anderson at <a href="mailto:canderson@crestonschools.org">canderson@crestonschools.org</a>	The Creston ECC program connects STEM-focused instruction with thematic activities and curriculum. An Innovation Zone includes retail centers, medical play centers, the problem stop where critical thinking is used and sensory activities including art, music and design.
Creston Community School District - Middle School	2021	Kimberly Fourez <a href="mailto:kfourez@crestonschools.org">kfourez@crestonschools.org</a>	STEM learning opportunities for middle school students beginning career exploration. Projects include Future Fest/STEM Fair, Digital Student Portfolio and Lunch and Learn opportunities.
Creston Community School District - Secondary	2023	Callie Anderson <a href="mailto:canderson@crestonschools.org">canderson@crestonschools.org</a>	Secondary students who receive special education services will gain employability skills, have the opportunity to explore future career pathways and receive support to be successful in the workplace. A Job Olympics will be developed where industry leaders are invited to observe the students demonstrating their current level of proficiency towards the identified employability skills.

## D-H

Awarded School	Year(s) Awarded	Contact(s)	Description
Davenport Community Schools	2022	Alene Vandermyde <a href="mailto:vandermydea@davenport.k12.ia.us">vandermydea@davenport.k12.ia.us</a>	Central, North and West High Schools will expand access to the Information Solutions/Computer Science pathway with improving technology and equipment required to expand programming as well as increase course and co-curricular offerings for robotics, software development and hardware maintenance. The district will work with our industry partners and advisory council to provide the professional development and support required to implement the programming.

Awarded School	Year(s) Awarded	Contact(s)	Description
Davenport West High School	2023, 2017 and 2015	Greg Smith <a href="mailto:smithgr@davenportschools.org">smithgr@davenportschools.org</a> Alene Vandermyde <a href="mailto:vandermydea@davenport.k12.ia.us">vandermydea@davenport.k12.ia.us</a>	<p>The Advanced Manufacturing program partners with local businesses such as MA Ford, Arconic, John Deere, McLaughlin Body Company, to immerse high school students in the business environment and experience advanced manufacturing in their community.</p> <p>Davenport West High School has four CNC machines purchased in collaboration with HAAS. Using this equipment, students collaborate with local businesses to learn CNC programming and operating. From this pathway, students go on to a high school registered apprenticeship program, embedding them into our industry partners workforce.</p>
Dike-New Hartford Community School District	2022	Lane Stahlberg <a href="mailto:lane.stahlberg@dnhcsd.org">lane.stahlberg@dnhcsd.org</a>	<p>At Dike-New Hartford, a more relevant and vibrant industrial technology curriculum will be developed. Specifically, improvements will be made to facility and equipment to offer courses in advanced welding, CNC machining, product development and enterprise, and laser fabrication.</p>
Dubuque Community School District	2023	David Moeller <a href="mailto:dmoeller@dbqschools.org">dmoeller@dbqschools.org</a>	<p>Hempstead High school will purchase a CNC machine to increase student awareness and experience of quality careers available in manufacturing.</p>
Earlham Community School District	2023 and 2021	Kristin Sheffield <a href="mailto:ksheffield@ecsdcards.com">ksheffield@ecsdcards.com</a>	<p>Building a systemic K-12 STEM experience through intentional curriculum redesign. Current opportunities for students include a STEM embedded into Kindergarten instruction and classroom design, a K-12 MakerSpace, a K-8 STEM Family Night, STEM elective courses for grades 6-8, and collaboration with local STEM professionals to provide career-connected learning opportunities for students and families.</p>
East Mills Community School District	2023	Kattie Lewis <a href="mailto:kLewis@emschools.org">kLewis@emschools.org</a>	<p>The East Mills School District will team up with regional school districts, business partners, and educational partners to create a regional career and technical education center, alongside launching a Farm to Table initiative featuring school gardens, greenhouses, and compost programs.</p>
East Union Community School District	2023	Marcus Patten <a href="mailto:mpatten@eastunionschools.org">mpatten@eastunionschools.org</a> Joan Gordon <a href="mailto:jgordon@eastunionschools.org">jgordon@eastunionschools.org</a>	<p>The district will develop a fully equipped, functioning maker space that will include the use of maker projects, coding products and a 3-D printer. This will support upper grade level partners by offering students hands-on work with the equipment at an earlier age.</p>

Awarded School	Year(s) Awarded	Contact(s)	Description
Easton Valley Community School District	2024	Steven Eskildsen <a href="mailto:steven.eskildsen@eastonvalleycsd.com">steven.eskildsen@eastonvalleycsd.com</a>	The Agricultural Greenhouse Learning Center to enhance access to healthy food options for Easton Valley CSD students and Little River Hawks Daycare Center attendees by contributing fresh produce to the lunch program. The greenhouse will offer hands-on experiences for junior, senior high and elementary students.
Edgewood-Colesburg Community School District	2024	Melissa Meyer <a href="mailto:mmeyer@edge-cole.k12.ia.us">mmeyer@edge-cole.k12.ia.us</a>	Program will utilize a GlowForge laser printer to provide exposure to digital fabrication and prototyping, entrepreneurship and small business ventures, visual arts and multimedia production, and STEM-infused projects with the support of community partners.
Emmetsburg Community School District	2020	Tracie Christensen <a href="mailto:tchristensen@e-hawks.org">tchristensen@e-hawks.org</a> Darca Saxon <a href="mailto:dSaxton@e-hawks.org">dSaxton@e-hawks.org</a>	Emmetsburg STEM Program: Increases opportunities for our students to explore career opportunities available that will help to make our students future ready. Incorporate STEM through various implementation steps throughout the District. Create a pathway using the Stem Innovator program from Kindergarten through 12th grade to engage students in learning and motivate them to complete their education. Expand this program to allow our students to collaborate with area partners and help them realize that they can stay or return to our community. Establish key partners within our community to develop real-world projects for students to help them develop real-world skills.
Fort Madison Community High School	2022 and 2016	Amy Wehrle <a href="mailto:amy.wehrle@fmcsd.org">amy.wehrle@fmcsd.org</a> Kim Harmon <a href="mailto:kim.harmon@fmcsd.org">kim.harmon@fmcsd.org</a>	The three Lee County school districts (Central Lee, Ft. Madison and Keokuk) are partnering with economic development partners, local business and industry, and trade unions, in addition to post-secondary institutions to increase access and awareness of the career opportunities in STEM fields.
Griswold Community School District	2023 and 2019	Sandy Nelson <a href="mailto:snelson@griswoldschools.org">snelson@griswoldschools.org</a> Brianna McCollum <a href="mailto:bmccollum@griswoldschools.org">bmccollum@griswoldschools.org</a> Jackie Brokaw <a href="mailto:jbrokaw@griswoldschools.org">jbrokaw@griswoldschools.org</a>	Work-based learning opportunities for students to develop future job skills by partnering with businesses on authentic projects. With state-of-the-art resources, students gain high demand technical skills, including social media design and management, programming, video production and editing, broadcasting, creation of content for electronic information monitors, and advertising. A drone training program is utilized by both the Communication Arts department for media production as well as the Agriculture department for crop mapping.

Awarded School	Year(s) Awarded	Contact(s)	Description
Harlan Community School District	2023	Sara Fink <a href="mailto:sarah.fink@hcsdcyclones.com">sarah.fink@hcsdcyclones.com</a>	STEM teachers will explore successful STEM schools in Iowa and collaborate with local community partners to establish a STEM program. The program will provide learning spaces that expose students to careers and help with the transition out of high school.
Holy Family System (Dubuque)	2023	Sarah Martineau <a href="mailto:smartineau@holyfamilydbq.org">smartineau@holyfamilydbq.org</a> Korrin Schriver, <a href="mailto:kschriver@holyfamilydbq.org">kschriver@holyfamilydbq.org</a>	A community supported Agriculture (CSA) business will be created and run by students who can enroll in one of three course pathways, including Agriculture Research, Construction, and Business and Marketing. Students enrolled in Agriculture Research will plan for a successful growing season as well as plant, care for, and harvest produce. In the Business and Marketing course, students will manage branding and promotion, as well as pricing and inventory. In the construction pathway, students will plan for and build the
Howard-Winneshiek Community School District	2021	Luke Jansen <a href="mailto:ljansen@howard-winn.k12.ia.us">ljansen@howard-winn.k12.ia.us</a>	The "Cadet Zone" project enhances job readiness skills for students by partnering with area businesses to promote creativity and 21st century skills. "Cadet Zone Cafe", "Cadet Zone Merchandise Store", and "Cadet Zone Media Productions" are the three branches that offer students opportunities to work alongside businesses, obtaining a unique set of skills for the workforce. opportunities to work alongside businesses, obtaining a unique set of skills for the workforce.

## I-M

Awarded School	Year(s) Awarded	Contact(s)	Description
IKM-Manning Community School District	2016 and 2017	Jenny Linde <a href="mailto:jlinde@ikm-manning.k12.ia.us">jlinde@ikm-manning.k12.ia.us</a>	Spark is our middle school student-run business, offering a variety of services to teachers and community members, including poster printing, lamination, and specialty projects. Every 7th and 8th grade student has the opportunity to participate in Spark each year completing class projects and creating one holiday-themed project. They also organize a pop-up sale to showcase and sell their items. In Spark, we focus on three main objectives: Foster entrepreneurship and teach career-ready skills. Provide hands-on learning through teamwork and collaboration. Learn key aspects of running a small business.

Awarded School	Year(s) Awarded	Contact(s)	Description
IKM-Manning Community School District	2016 and 2017	LuAnn Langel <a href="mailto:llangel@ikm-manning.k12.ia.us">llangel@ikm-manning.k12.ia.us</a> Kevin Lahndorf <a href="mailto:klahndorf@ikm-manning.k12.ia.us">klahndorf@ikm-manning.k12.ia.us</a>	FIRE (Finding Innovative Reasons to Excel) is a student-led business focusing on vinyl printing and laser engraving. Associates will utilize soft skills used in real-world business and focus on 21st Century Employability Skills while completing paid jobs. Every day is a different day with new challenges.
Iowa Big North	2017, 2015 and 2014	Mike Kuennen <a href="mailto:m_kuennen@new-hampton.k12.ia.us">m_kuennen@new-hampton.k12.ia.us</a>  Krissy Anderson <a href="mailto:k_anderson@new-hampton.k12.ia.us">k_anderson@new-hampton.k12.ia.us</a>	Iowa BIG North offers students the opportunity to experience in-depth and more sustained projects in professional business, community, and/or government settings. Students will engage in pursuing answers to professional problems and projects while being immersed in a professional work environment. Development of 21st century and employability skills (Universal Constructs) will be a strong focus of this program. IBN is competency-based, so students will be expected to demonstrate their understanding of the standards and content of the course in contextual performances for authentic audiences.
Iowa City Community School District	2017	Matt Degner <a href="mailto:degner.matt@iowacityschools.org">degner.matt@iowacityschools.org</a>	We have implemented the STEM Innovator program through the University of Iowa into our business and science courses.
Jesup Community School District	2019	Paul Rea <a href="mailto:prea@jesup.k12.ia.us">prea@jesup.k12.ia.us</a>	Jesup Community School District expands work-based learning through partnership and collaboration with Cedar Falls' STEM BEST Program (called CAPS). Students are provided opportunities for their knowledge and skills to intersect in real-world learning opportunities. They are able to explore careers, make connections to businesses and understand how the concepts and information they are learning in the classroom translate into real life.
Johnston Community School District	2022	Jyll Johnson-Miner <a href="mailto:jjminer@johnston.k12.ia.us">jjminer@johnston.k12.ia.us</a>	The Johnston Community School District will provide students an opportunity to explore, develop skills and receive EMS certification in emergency medical care and transportation for critical and noncritical patients who access the emergency medical system.
Keokuk Community School District	2022, 2021 and 2018	Nathan Harrison <a href="mailto:nathan.harrison@keokukschools.org">nathan.harrison@keokukschools.org</a> Natalie Ulloa <a href="mailto:natalie.ulloa@keokukschools.org">natalie.ulloa@keokukschools.org</a>	Keokuk and Fort Madison high schools partnered with business and industry and economic development groups to create a regional career exploration center. The center provides students expanded opportunities in different career strands to build on the CTE courses currently offered at the high schools.

West Des Moines Community School District	2022 and 2019	Jim Martin <a href="mailto:martinja@wdmcs.org">martinja@wdmcs.org</a>	Equipment was added to the manufacturing lab, including the HAAS Lathe and Wireless Probe. These additions will help build classroom hours and skill development towards apprenticeship agreements with partners for welding, computer integrated manufacturing, and beyond.
West Lyon Community School District	2022	Shane Peterson <a href="mailto:speterson@wlvildcats.org">speterson@wlvildcats.org</a> Nate Sievers <a href="mailto:nsievers@wlvildcats.org">nsievers@wlvildcats.org</a>	Day-long field trips will take place to tour businesses in the advanced manufacturing sector. Students will be connected with businesses to meet employers, have the students witness what is happening in those facilities and come back to our program and practice skills that relate to those careers.
West Marshall Community School District	2022	Mari Haley <a href="mailto:mhaley@wmcsd.org">mhaley@wmcsd.org</a> Amy McKibben <a href="mailto:amckibben@wmcsd.org">amckibben@wmcsd.org</a>	The major aim of West Marshall's STEM BEST HD program is to start students younger and to take them farther along the computer science path before graduating from high school. The district works to accomplish this through four different strategies. These include developing a comprehensive K-12 computer science curriculum, building a K-5 STEM lending library, leading STEM teacher academies and hosting an annual K-8 family STEM night.
Western Christian High School	2024	Shawn De Stinger <a href="mailto:shawn.destigter@westernchristianhs.com">shawn.destigter@westernchristianhs.com</a>	Enhance and grow the JumpSTART Pathway and CTE Program, which are non-traditional educational programs that train and equip selected students to enter the trades workforce sector upon graduation. Programs teach students to become career-ready and servant-hearted individuals through unique "hands-on" course offerings and through a variety of authentic field experiences within the local community.
Winterset Community School District	2024	Cam Smith <a href="mailto:csmith@winterset.k12.ia.us">csmith@winterset.k12.ia.us</a>	Create pathways for students within the healthcare field and to expose students to the variety of healthcare careers with the addition of an Anatomage Table to be used in Health Science Program, Biology, Human Body, College Biology and Genetics, and College Anatomy and Physiology classes.
Woodbine Community School District - Elementary	2022 and 2021	Tracy Kelley <a href="mailto:tkelley@woodbine.k12.ia.us">tkelley@woodbine.k12.ia.us</a> Maureen Allen <a href="mailto:mallen@woodbine.k12.ia.us">mallen@woodbine.k12.ia.us</a> Jill Ridder <a href="mailto:jridder@woodbine.k12.ia.us">jridder@woodbine.k12.ia.us</a> Shawna Harris <a href="mailto:atsharris@woodbine.k12.ia.us">atsharris@woodbine.k12.ia.us</a>	Interest-based STEM activities are available for students in grades K-4. Students participate in four, 30 to 45-minute classes on a weekly basis with 16 career-oriented options.
