

# CHAPTER 7

## ALL IOWA OPPORTUNITY SCHOLARSHIP PROGRAM

Established in May 2007, the All Iowa Opportunity Scholarship (AIOS) Program is a statewide need-based grant program for undergraduate students that assists high-need Iowa residents with the cost of postsecondary education. A [Historical Appropriations Summary](#) can be found on the Iowa Department of Education's Higher Ed and Postsecondary Readiness Reports site.

### A. ELIGIBILITY

#### 1. College/University

The Code of Iowa limits eligibility to Iowa colleges/universities accredited by the Higher Learning Commission of the North Central Association of Colleges and Universities (HLC). HLC candidates are not eligible. Students attending these colleges/universities are eligible to receive All Iowa Opportunity Scholarships.

## 2. Student

In addition to the general eligibility requirements found in Chapter 1, an eligible AIOS recipient must be planning to enroll at least part-time (3 hours minimum) in an undergraduate degree program, diploma or certificate program at an eligible Iowa college or university.

The student applicant must enroll at an eligible institution for the first time as a regular student within two academic years of high school graduation and must continuously receive an AIOS award during the 9-month academic year to maintain future eligibility. Eligible foster care students are exempt from both requirements.

Students can apply for a waiver of the continuous enrollment requirement due to military deployment, medical incapacity, national or state emergency declaration, AmeriCorps/VISTA/Peace Corps service, missionary work, or other exceptional circumstances approved by the Iowa Department of Education's Bureau of Iowa College Aid (Iowa College Aid). Financial Aid Offices must submit a waiver form and supporting documentation to Iowa College Aid. If approved, students will be exempt from the continuous enrollment requirement for the approved period of time. Exceptional circumstances must be beyond the student's control. Situations that will not qualify for a waiver include, but are not limited to, missing the application deadline, ineligible Student Aid Index (SAI), and lack of satisfactory academic progress. The electronic version of the waiver form is located [here](#).

Recipients of the AIOS may receive the award for up to 8 full-time semesters (or the quarter equivalent) as long as they continue to meet AIOS eligibility criteria. Part-time recipients may receive up to 16 semesters (or the quarter equivalent) in assistance. Full-time and part-time semesters will be calculated using enrollment

statuses reported by institution officials in the Iowa College Aid Processing System (ICAPS®).

The maximum SAI for the AIOS for 2024-2025 is **\$10,396**.

## B. STUDENT APPLICATION PROCESS

First-time applicants must complete both the Iowa Financial Aid Application and the Free Application for Federal Student Aid (FAFSA) as described in Chapter 1. **NEW!** Both applications must be submitted on/before April 1, 2024.

**NEW!** Students renewing their AIOS award must file the FAFSA on/before April 1, 2024. It is not necessary for renewal students to submit an Iowa Financial Aid Application.

## C. SELECTION OF RECIPIENTS

Scholarships are awarded by Iowa College Aid to on-time applicants whose SAI levels are at or below the parameter defined by Iowa College Aid. If all applicants cannot be served due to funding limitations, priority will be given to:

1. Eligible foster care students, under age 26.
2. Eligible dependents of deceased public safety officers.
3. Eligible AIOS renewal students.
4. Students in certain TRIO programs and students who graduated from an alternative high school or participated in eligible alternative high school programs.
5. Students in Federal Gear Up programs.

In the event all students in a given priority group can't be funded, applicants will be ranked by SAI (lowest to highest). If all applicants with a given SAI cannot be funded, those applicants will be ranked by the date of submission of the AIOS application (earliest to latest).

Iowa college/university officials can access a designated roster of AIOS recipients by logging in to ICAPS and clicking on 'Rosters'. Only students on the 'Designated' roster can receive an AIOS payment. College/university officials should use the awarding instructions in this chapter, in conjunction with general guidance in Chapters 1 - 3, to award AIOS.

## D. AWARDING

**NEW!** Awards must be made on accurately calculated SAI. The maximum AIOS award is **\$5,198** for students enrolled full-time. Part-time students may receive assistance prorated based on their enrollment level. All Iowa Opportunity Scholarships are not available for summer terms.

Payments are credited to student accounts on a per term basis by college/university officials.

The following chart provides the maximum All Iowa Opportunity Scholarship award allowed per enrollment level based on the current maximum award of \$5,198.

Enrollment Level	Credits	Semester	Quarter
Full-time (F)	12+	\$2,599	\$ 1,733
Three-quarter time (P)	11	\$2,391	\$1,594
	10	\$2,157	\$1,438
	9	\$1,949	\$1,300
Half-time (H)	8	\$1,741	\$1,161
	7	\$1,507	\$1,005
	6	\$1,300	\$ 866
Less-than-half-time (L)	5	\$1,092	\$ 728
	4	\$ 858	\$ 572
	3	\$ 650	\$ 433

**NEW!** In order to determine amounts for students enrolled less than full time, use enrollment intensity percentages. For example, if a student is enrolled in 11 credits they would be eligible for 92% (rounding to the nearest percent) of the maximum award making the student eligible for \$2,391 (round awards to the nearest dollar).  $(5198 * (11/12)) / 2 = (5198 * .92) / 2 = \$2,391$ . Total awards cannot exceed the annual maximum.

## E. AWARD OFFERS

College officials must provide award offers to all AIOS recipients. Award offers must clearly indicate the award amount and will include the following award notification statement:

**NEW!** “In the event that available funds are insufficient to pay the full amount of each approved grant, the Iowa Department of Education has the authority to administratively reduce the award.”

## F. RENEWAL AND LIFETIME ELIGIBILITY

Financial need is determined annually on the basis of a new FAFSA filed by the applicant. Scholarship recipients will be considered for subsequent AIOS awards for AY 2025-26 if the recipient completes the FAFSA by March 1 and continues to meet all other AIOS eligibility requirements.

ICAPS determines the semester maximum by the usage of points. AIOS has a maximum lifetime limit of 4 points. The following chart indicates the point values given per term based on the enrollment status indicated in ICAPS.

**Points Established by Enrollment Status**

<b>Enrollment Status</b>	<b>Credits</b>	<b>Semester Points</b>	<b>Quarter Points</b>
Full-time (F)	12+	0.5	0.333
Three-quarter time (P)	9-11	0.375	0.25
Half-time (H)	6-8	0.25	0.167
Less-than-half-time (L)	3-5	0.125	0.083

## G. DISBURSEMENT OF FUNDS

Chapter 3 provides a complete description of the payment process. AIOS is a need-based program and payments may be applied to any expense within the student’s cost of attendance.

## H. CHANGES/CORRECTIONS

Any changes in awards must be provided to Iowa College Aid electronically via ICAPS by the reporting deadlines established in Chapter 3 of the Iowa Student Financial Aid Guide.

## I. VERIFICATION/COMPLIANCE

College officials are responsible for completing required federal verification procedures and for coordinating all aid to ensure compliance with student eligibility and allowable award amounts.

One disbursement of state-funded student financial aid may be made prior to completing the verification process as long as college/university officials have no reason to believe application information is inaccurate. If verification indicates that students are ineligible for aid, refunds must be made to state-funded programs.
